

Major Donor and Independent Expenditure Committee Campaign Statement

CALIFORNIA
FORM 461

Who Uses Form 461:*

Major Donors

- An individual or entity that makes monetary or nonmonetary contributions (including loans) to state or local officeholders, candidates and committees totaling \$10,000 or more in a calendar year.

“Contribution” includes direct monetary contributions (e.g., tickets to campaign fundraisers), loan guarantees and loan forgiveness, nonmonetary contributions of goods or services, and discounts not provided to the public generally.

Independent Expenditures:

- An individual or entity that makes independent expenditures totaling \$1,000 or more in a calendar year to support or oppose state or local candidates or ballot measures.

An “independent expenditure” is an expenditure for a communication that expressly advocates the nomination, election or defeat of a clearly identified candidate or ballot measure that is not made to—or at the behest of—an officeholder, candidate, or committee.

*There are different forms and reporting requirements for committees that receive contributions totaling \$1,000 or more during a calendar year (“recipient committees”).

Personal Contributions by Candidates and Officeholders:

Form 461 is also required if, during a calendar year, a candidate or officeholder uses **personal** funds to make:

- Contributions totaling \$10,000 or more to other state or local candidates, officeholders or committees; or
- Independent expenditures totaling \$1,000 or more to support or oppose other state or local candidates, officeholders, or ballot measures.

Contribution Limits:

California state candidates and officeholders are subject to contribution limits under state law. Questions about state contribution limits should be directed to the FPPC. In addition, local candidates may be subject to contribution limits imposed by local ordinance. Questions about local limits should be directed to election officials in the local jurisdiction.

Additional Important Information:

Refer to the FPPC [Information Manual on Campaign Disclosure](#) for information required to be provided to you pursuant to the Information Practices Act of 1977, and for important information about:

- When and where to file Form 461.

- Aggregation of contributions and expenditures by certain combinations of individuals and entities (e.g., parent and subsidiaries).
- Exceptions to the definition of “contribution” and “expenditure” for certain types of activities (e.g., volunteer personal services, regularly published newsletters).
- Reporting “late contributions” and “late independent expenditures” made during the 16 days immediately prior to an election.
- Form 465–Supplemental Independent Expenditure Report.

This form was prepared by the Fair Political Practices Commission (FPPC). Copies of FPPC forms and informational materials are also available on the FPPC web site (www.fppc.ca.gov).

If this is the first campaign statement for the calendar year, begin with January 1.

The closing date of the statement depends on the type of statement you are filing.

5. Contributions and Expenditures

Date of Contribution:

A monetary contribution is made on the date it is mailed, delivered, or otherwise transmitted to the candidate or committee. A nonmonetary contribution is made on the **earlier** of the following: 1) the date you made an expenditure for goods or services at the behest of the candidate or committee; or 2) the date the candidate or committee or an agent of the candidate or committee obtained possession or control of the goods or services.

Name and Address of Payee

If a total of \$100 or more is contributed or expended during a calendar year to support or oppose a single candidate, committee or measure, disclose the name and address of the payee. If the payee is a committee, also disclose the identification number assigned to that committee by the Secretary of State. If no ID number has been assigned to a committee, provide the name and address of that committee's treasurer.

Contributions and expenditures of less than \$100 to support or oppose a single candidate, committee or measure during a calendar year are totaled and reported as a lump sum on Line 2 of the Summary.

Candidate, Measure or Committee:

Identify the candidate, measure or committee supported or opposed by the contribution or expenditure. Disclose the name of the candidate and the office sought or held; the name of the

ballot measure and its jurisdiction; or the name of the committee if a nonmonetary contribution was made to a general purpose committee. Check the appropriate box to indicate whether the payment was made to support or oppose the candidate or measure listed.

Amount/Cumulative Amount:

Disclose the amount of the contribution or expenditure made this period **related to the candidate or committee supported or opposed.**

If a single payment supports or opposes more than one candidate or measure, provide the name and address of the vendor. Enter the amount paid to the vendor in the "Description of Payment" column. Identify each candidate or measure, and enter the amount of the contribution or expenditure attributable to each in the "Amount" column.

For each candidate, committee, or ballot measure, also disclose the cumulative amount contributed or expended to date **related to the candidate, committee or ballot measure** since January 1 of the current calendar year.

Reporting Loans:

Check the "loan" box if you make, forgive, or guarantee a loan. You need not report loan repayments received. If you make and forgive a loan during the same calendar year, report the amount of the forgiveness under "Description of Payment." The same is true if you guarantee a loan and you make payments to the lender during the same calendar year.

Non-Monetary Contributions:

Report the fair market value of non-monetary contributions. The fair market value is the amount it would cost to purchase the goods or services on the open market, which may be more than the amount it cost to provide them. For example, the fair market value of donated catering services would normally be higher than the actual cost to the caterer.

Reporting Subvendors:

If an agent (including an independent contractor) makes payments on your behalf ("subvendor payments"), disclose those payments in addition to the payments made to the agent. For example, you pay a public relations firm, which pays for an advertisement supporting a ballot measure. In addition to disclosing the payment(s) made **to** the public relations firm, itemize payments of \$500 or more made **by** the firm related to the advertisement. Do not include payments that are not for the purpose of making contributions or independent expenditures (e.g., for overhead or operating expenses).

Report the name and address of the agent followed by the name and address of each subvendor. Disclose amounts paid to the agent and subvendor in the "Description of Payment" column.
