Generic-Brand Comparison Handbook

Since its first publication in 1984, the Generic-Brand Comparison Handbook has provided healthcare professionals with a convenient reference for generic and branded pharmaceuticals. It contains an alphabetical listing of the most common pharmaceuticals dispensed. Part I lists all products by generic name and Part II lists them by brand name.

The Generic-Brand Comparison Handbook is a useful, time-saving reference for all healthcare professionals.

To receive your copy, please print and mail the following form, along with a check for \$2.00 per booklet to UDL Laboratories, Inc.

Order Form

To receive a copy of the UDL Laboratories, Inc. Generic Brand Comparison Handbook, please complete this order form and enclose \$2.00 per copy (in advance) for shipping and handling. Allow 8 weeks for delivery.

Requests for 9 books or more are shipped via UPS and must include a physical site address. UPS cannot deliver to Post Office boxes. Order of 8 books or less will be shipped via U.S. Mail and can be delivered to a Post Office box.
