INSTRUCTIONS

Federal and state laws require that commercial drivers who apply for a hazardous materials (hazmat) endorsement be fingerprinted as part of the qualification procedure. The required fingerprinting service is being provided by IdentoGO. All hazmat endorsement applicants must be fingerprinted at one of the IdentoGO centers located throughout New York State.

Fingerprinting is done by appointment. Select a fingerprinting location, schedule an appointment, and get information about the required proofs of identification and the required fee at <https://uenroll.identogo.com> or by calling 1-877-472-6915.

You must be a U.S. citizen or a lawful resident of the U.S. IdentoGO will not verify your legal status. You must provide proof of your legal status, as required by federal regulations, when you submit your application for a HazMat endorsement (form HAZ-44) to DMV. The acceptable proofs of legal status are not the same proofs that you must bring to the IdentoGO site for your fingerprinting appointment. The acceptable proofs of legal status are listed on form HAZ-44. You must mail the completed application form (HAZ-44) and a copy of proof of your legal status to the DMV HazMat Unit.

If you have any questions about renewing your hazmat endorsement, call the New York State Department of Motor Vehicles HazMat Unit at (518) 408-2997.
