

FORM 850 INSTRUCTIONS -- IDAHO SALES AND USE TAX

These instructions are to help you prepare your tax return. If you have questions about the application of sales and use tax laws, contact the nearest office of the State Tax Commission.

A RETURN MUST BE FILED FOR EACH TAX PERIOD, EVEN WHEN NO TAX IS DUE.
LABELS ARE INCLUDED FOR YOUR CONVENIENCE.

General. You are required to report tax using the accrual method. This means that you must report and pay tax on all cash and credit sales and items purchased subject to use tax even if payment has not been made. **You must sign your return to make it valid. Unsigned returns may result in penalty or interest, or both.**

Due Date. Returns cover either one month, quarter, semiannual or annual period. **Each return indicates the period covered and the due date.**

Even if you have made no sales or acquired no items subject to use tax, you must file a return on time. Simply write -0- in the appropriate areas of the return.

Change of Mailing Address. Mark the "mailing address change" box on your tax return and provide the new address.

Change in Operation/Ownership. Any change in operation of your business must be reported on an amended Idaho Business Registration Form. You must report changes in partners or officers, any restructuring of ownership, new location, address change, or additional locations. You can also make these changes online at: **business.idaho.gov**.

New Owner. If you are a new owner of a business, **do not use a return which has been addressed to the former owner.** Permits are not transferable. Contact the nearest office of the State Tax Commission to obtain an Idaho Business Registration Form for a new number. You can apply for a new account number online at: **business.idaho.gov**.

Cancel permit. If this is your final return, mark the "cancel permit" box on your tax return. Attach a statement giving information and the date of disposition of the business. If you operate more than one business location under this permit number, please specify which location is closed and which is still open.

If you do not pay by electronic funds transfer, the total payment for tax due must accompany your return. Make your check or money order payable to the State Tax Commission. Do not staple your check to your return or send a check stub.
