# INTRODUCTION

Undernutrition continues to adversely affect majority of women in India. In India, every third woman is undernourished and every second woman is anemic<sup>1</sup>. An undernourished mother almost inevitably gives birth to a low birth weight baby. When poor nutrition starts in-utero, it extends throughout the life cycle, particularly in women. Owing to economic and social distress many women continue to work to earn a living for their family right up to the last days of their pregnancy. Furthermore, they resume working soon after childbirth, even though their bodies might not permit it, thus preventing their bodies from fully recovering on one hand, and also impeding their ability to exclusively breastfeed their young infant in the first six months.

Janani Suraksha Yojana (JSY) was launched in 2005 by Ministry of Health and Family Welfare. It provides a differential one-time cash incentive to pregnant women for institutional/home births through skilled assistance. JSY however, does not address the issues regarding a woman's socio-economic compulsions to work right up to the last stage of pregnancy and resuming work soon after child birth. Hence, a need for introducing a modest maternity benefit to partly compensate for their wage loss was recommended by the Planning Commission in the XI<sup>th</sup> Five Year Plan<sup>2</sup>.

In view of the above, the Ministry of Women and Child Development (MWCD) formulated a new Scheme for pregnant and lactating mothers called Indira Gandhi Matritva Sahyog Yojana (IGMSY) – a Conditional Maternity Benefit Scheme. Under this Scheme, a cash incentive of ₹4000 will be provided directly to women 19 years and above for the first two live births subject to the woman fulfilling specific conditions relating to maternal child health and nutrition. Cash incentive will be provided in three installments, between the second trimester of pregnancy till the infant completes 6 months of age. Women enrolled under IGMSY will be encouraged to avail JSY package also for institutional delivery and vice-versa. However, there is no cash incentive under IGMSY at the time of delivery since cash incentive for this is already provided under JSY.

IGMSY is a Centrally Sponsored Scheme under which full grant-in-aid would be provided to State Government (SGs)/Union Territories (UTs). It has been approved by the Government on pilot basis in 52 selected districts across the country. It will be implemented using the platform of ICDS. The focal point of implementation will be the Anganwadi Centre (AWC).

# PURPOSE OF THE IMPLEMENTATION GUIDELINES

The purpose of these guidelines is to serve as a reference material with all necessary practical information on the components of IGMSY and how to implement, monitor and report it at various levels.

The target audience for these guidelines are the officers and functionaries of SGs/UTs beginning from State, District and Project level right up to the grass-root levels, partnering implementing agencies, training and academic institutions, etc. It is expected that these guidelines will be used by the target audience both as a reference material and for training to ensure effective implementation of the Scheme at all levels.

**These guidelines would be further supplemented by the GoI from time to time, as and when required.**

## THE SCHEME

### 3.1 Objectives of IGMSY:

To improve the health and nutrition status of Pregnant and Lactating (P & L) women and their young infants by:

- i. Promoting appropriate practices, care and service utilization during pregnancy, safe delivery and lactation.
- ii. Encouraging women to follow (optimal) Infant and Young Child Feeding (IYCF) practices including early and exclusive breastfeeding for the first six months.
- iii. Contributing to better enabling environment by providing cash incentives for improved health and nutrition to pregnant and lactating women.

*Note: The Scheme aims to provide partial compensation for the wage loss so that the woman is not under compulsion to work till the last stage of pregnancy and can take adequate rest before and after delivery.*

### 3.2 Target beneficiaries:

- i. **P & L women of 19 years of age and above for their first 2 live births.**
  - *Why 19 years of age and above?* The legal age of marriage in India for women is 18 years and hence the age criterion for child birth has been taken as 19 years. This is to encourage marriage and child birth at the right age.
  - *Why only first two live births?* To ensure that the health of the woman is not compromised due to repeated pregnancies and to promote family planning.
- ii. All Government/Public Sector Undertakings (Central and State) employees are excluded from the Scheme as they are entitled for paid maternity leave. The wives of such employees are also excluded from the Scheme.
- iii. Age, number of live births and employment status would be as reported by the beneficiary. In case of wrongful claim by the beneficiary, the amount paid to her would be recovered. Failing which, she will be liable for prosecution. A signed undertaking to this effect, as at **Annex F, Part II (A)**, will be necessarily taken from the beneficiary at the time of registration under the Scheme
- iv. Pregnant and lactating AWWs and AWHs may also avail the benefit under the Scheme if they are not receiving paid maternity benefits from the Government.

### **3.3 Districts covered under the Scheme:**

- i. IGMSY will be implemented in all projects and AWCs (including urban projects and mini AWCs) of 52 selected districts across the country (**Annex A**).
- ii. The districts have been selected based on a composite score calculated using six indicators related to maternal and child health and nutrition from District Level Household Survey-3, 2007-08, with each indicator given equal weightage.
- iii. These indicators included:
  - Literate female population (Age 7+) (%)
  - Mothers registered in the first trimester when they were pregnant with last live birth/still birth (%)
  - Mothers who had at least 3 antenatal care visits during the last pregnancy (%)
  - Institutional births (%)
  - Children (12-23 months) fully immunized (BCG, 3 doses each of DPT, Polio and Measles) (%)
  - Children breastfed within one hour of birth (%)
- iv. The districts were divided into three categories, based on their composite score - good, medium and poor performance. This categorization has been done to assess the implementation in all three types of sampled districts, lessons of which will be useful in up-scaling the Scheme.
- v. Out of 52 districts, 11 are good performance districts, 11 are poor performance districts, 26 are medium performance districts and 4 are UTs.

### **3.4 Beneficiary registration:**

- i. To avail the benefit, the woman has to register herself at the AWC for IGMSY.
- ii. The baseline survey was carried out with the validation date of 01.12.2010. The women registered during the baseline survey would get the benefit of the Scheme during 2010-11 on fulfilment of conditions. Any woman who becomes pregnant after the baseline survey shall also be included for the benefit under the Scheme, provided they register at the AWC.
- iii. Every registered beneficiary under the IGMSY will receive a Mother and Child Protection (MCP) Card, either from the Anganwadi Worker (AWW) or the Auxillary Nurse Midwife (ANM). The MCP Card will be used as a means of verification of the conditionalities for payment. Hence, AWW and ANM should ensure that the MCP card is provided to every beneficiary and required information is filled in this card, timely.

### 3.5 Amount of payment and conditionality:

- i. The beneficiary will receive a **total cash incentive of ₹4000 in three installments, subject to the fulfillment of specific conditions.**
- ii. Why three installments and why cash incentive of ₹4000 only?
  - The three installments and amounts have been worked out such that the beneficiary gets a reasonable amount every three months after 2<sup>nd</sup> trimester of pregnancy up to six months after delivery (including the JSY tranche).
  - This is a part wage loss compensation of approximately 40 days @ ₹100 per day, given as maternity benefit, for ensuring mother takes the much required rest before delivery and soon after delivery for taking better care of herself and her young infant.

#### 3.5.1 First Installment:

**Amount: ₹1500.** Given only **at the end of the 2<sup>nd</sup> trimester of pregnancy** i.e., completion of six months of pregnancy, on fulfilment of **all** the five conditions mentioned below:

- i. Pregnancy registered within 4 months at the AWC or Health Centre (Sub-centre/ PHC/ CHC/ district hospital/ empanelled private doctor under JSY).
- ii. Received at least one antenatal check-up (out of optimal 3).
- iii. Received IFA tablets.
- iv. Received at least one TT vaccination (out of optimal 2).
- v. Received at least one counseling session at the AWC/ Village Health and Nutrition Day (VHND)/Home Visit.

#### 3.5.2 Second Installment:

**Amount: ₹1500.** Given only **at the end of three months of delivery** on fulfilment of **all** the six conditions mentioned below:

- i. Child birth is registered.
- ii. Child has received Polio and BCG vaccination.
- iii. Child has received Polio and DPT-1 vaccination.
- iv. Child has received Polio and DPT-2 vaccination.
- v. Child has been weighed at least two times after birth (out of optimal 4 times including weighing at birth).
- vi. After delivery, mother has attended at least two IYCF counseling sessions at the AWC/VHND/Home Visit (out of optimal 3 times).

### 3.5.3 Third Installment:

**Amount: ₹1000.** Given only when the infant completes six months of age, on fulfilment of **all** the five conditions mentioned below:

- i. Child has been exclusively breastfed for first six months, unless contraindicated by a medical doctor.
- ii. Child has been introduced complementary foods on completion of age six months.
- iii. Child has received Polio and DPT-3 vaccination.
- iv. Child has been weighed at least two times between age 3 and 6 months (out of optimal 3)
- v. Mother has attended at least two IYCF counseling sessions between 3 and 6 months of lactation, at the AWC/VHND/Home Visit (out of optimal 3).

**Note 1:** *Exclusive breastfeeding for the first six months means that for the first six months of life the infant receives only breast milk and nothing else (no food, drink or water) but allows the infant to receive ORS and vitamins/mineral/medicine as drops or syrup. Babies who are exclusively breastfed do not require additional food or fluid, herbal water, glucose water, fruit drinks or water during the first six months. Breast milk alone is adequate to meet the hydration requirements even under the extremely hot and dry summer conditions prevailing in the country<sup>3</sup>.*

**Note 2:** *Complementary foods are soft, semi-solid or mashed foods which should be introduced in the infant's diet when the infant completes six months of age as after the age of six months breast milk alone cannot meet the needs of the growing infant. The purpose of complementary feeding is to complement and not replace breast milk and make certain that the infant continues to have enough energy, protein and other nutrients to grow normally. It is important that breastfeeding is continued upto the age of two years or beyond as it provides useful amounts of energy, good quality protein and other nutrients<sup>3</sup>.*

### 3.5.4 Special conditions:

- i. If the beneficiary fulfils the conditions for the 1<sup>st</sup> installment, but undergoes a miscarriage she may be given the 1<sup>st</sup> installment upon producing proper documentation.
- ii. In the first year of implementation (i.e., up to March 2011), the beneficiary can be enrolled at any stage of pregnancy or lactation. From 2011-12 onwards, a woman has to be enrolled in the Scheme from the stage of pregnancy, preferably within 4 months of pregnancy, to avail the benefit of the Scheme unless she gives reasons as to why she was left out or did not register at AWC.

---

<sup>3</sup> National Guidelines on Infant and Young Child Feeding. Food and Nutrition Board, Ministry of Women and Child Development, Government of India; 2006.

- iii. The beneficiary will be given the 1<sup>st</sup> installment only after the 2<sup>nd</sup> trimester is completed even if the beneficiary has fulfilled the conditions for the 1<sup>st</sup> installment earlier.
- iv. If the beneficiary has a still birth, she will be eligible for the 2<sup>nd</sup> installment subject to attending 2 counseling sessions for her own health and well being.
- v. If the beneficiary fulfills the conditions for the 2<sup>nd</sup> installment but the infant does not survive between birth and 3 months of age, she will be given the 2<sup>nd</sup> installment, upon producing proper documentation to ensure it was not a case of infanticide especially for the girl child.
- vi. If the beneficiary on her first delivery gives birth to live twins she can avail the benefit of the Scheme only once (since the wage loss and rest required would be only once).
- vii. If the beneficiary has one child and then in second delivery gives birth to twins she can avail the benefit of the Scheme for the second time (even though there are now 3 children).
- viii. Beneficiary can receive the cash benefit of the Scheme only from the AWC where the beneficiary is registered. For example, if the woman is pregnant and has registered at one AWC and for her delivery she goes to her maternal village and receives some services, she can avail the cash benefit only from one AWC, that is the AWC where she has registered, on showing the filled up MCP card.

### 3.5.5 Verification of the Conditionality: How, When and by Whom?

- a) **Verification by AWW:** Means of verification of each conditionality to be used by AWW are (details at **Annex B**):
  - i. MCP card
  - ii. IGMSY register (**Annex F**)
  - iii. Growth monitoring register of ICDS
  - iv. Exclusive breastfeeding and initiation of complementary foods are to be self-certified.
- b) **Verification by ICDS Supervisor:**
  - i. During field monitoring visits, the ICDS supervisor should check the IGMSY register for correctness and verify the fulfillment of conditionalities through discussion with beneficiaries and checking their MCP cards.
  - ii. While receiving the Monthly Progress Report (MPR) from the AWW, the ICDS supervisor should check it for correctness.

### 3.5.6 IGMSY linkage with Janani Suraksha Yojana (JSY):

AWWs should encourage the IGMSY beneficiaries to avail the JSY package for institutional delivery. All delivery attendants should be sensitized to motivate mothers to initiate breastfeeding within an hour of birth, colostrum feeding and for exclusively breastfeeding their infant for the first six months.

### 3.6 Incentive to AWW and AWH:

- i. AWW will receive a cash incentive of **₹200 per beneficiary** after all the **due** cash transfers to the beneficiary are completed.
- ii. AWH will receive a cash incentive of **₹100 per beneficiary** after all the **due** cash transfers to the beneficiary are completed.

***Note:** Even if the beneficiary migrates in or out of the AWC area, the AWW and AWH would be entitled to the complete cash incentive amount if **all due cash transfers** to the beneficiary are completed. E.g., in some cases it might be the first two installments after which the beneficiary migrates out of the area, in other cases it might be that the beneficiary is eligible for the last two installments only, since as a result of migration she registered herself at the AWC for this Scheme after delivery.*

### 3.7 Procedures for Payment:

#### a) Payment to the beneficiary:

- i. Transfer of amount to the beneficiary should be through bank/post office only.
- ii. Modalities of cash transfer may be decided by the SGs/UTs. **However, no disbursement would be in the form of “cash” or “cheque”.**
- iii. Modes of cash transfer can include - nationalized bank, post office, cooperative bank, business correspondent model of bank, etc. The mode used for M-NREGA, pensions, etc may also be explored. Some indicative examples are at **Annex C.**

**b) Payment to the AWW and AWH:** All AWWs and AWHs have bank accounts in which their honorarium is credited. The incentive under IGMSY to the AWW and AWH should also be credited in the same account.

### **3.8 Role of AWWs:**

- i. To ensure early registration and fulfillment of conditionalities of each beneficiary in close coordination with ASHA and ANM.
- ii. To support the beneficiaries in opening bank/post office accounts, where they do not already have one.
- iii. To motivate the beneficiaries in fulfillment of conditionalities.
- iv. To ensure along with health functionaries that the required supplies/services for fulfilling conditionality are available. In case of any difficulty, AWW should immediately report to the Supervisor.
- v. To ensure that beneficiaries are regularly counseled. For example, one day and time can be fixed every month for counseling all pregnant women and one day and time can be fixed every month for counseling all lactating mothers.

### **3.9 Flexi-Funds:**

- i. A flexi-fund amounting to 2.5 percent of total annual expenditure under the Scheme is available for each SG/UT for innovative activities.
- ii. Some indicative examples for using flexi-fund could be interventions for promotion of maternal and child health and care, community mobilization, providing additional incentives to beneficiaries under special conditions **based on state specific issues/problems** like:
  - i. Marriage after 21 years of age
  - ii. Birth of 1<sup>st</sup> child after 22 years of age
  - iii. Spacing of 2-3 years between the births
  - iv. Child is in green zone of new WHO growth monitoring chart (normal weight-for-age) from birth to six months
  - v. Both children are girls
  - vi. Woman has disability as per Persons With Disability (PWD) Act, etc.

### **3.10 Capacity Building & Information Education and Communication (IEC) activities:**

- i. An amount of 3 percent of total annual expenditure under the Scheme is available for each SG/UT for Capacity Building and IEC activities.

- ii. All cadres of ICDS staff from SG/UT level up to grassroot workers need to be sensitized on IGMSY. Wherever possible, these sensitization workshops should be organized in coordination/jointly with the Health Department as health services provision is a significant part of IGMSY.
- iii. NIPCCD along with its Regional Centres would organize trainings, either through cascade model, vertical training or as the SGs/UTs deem appropriate. NIPCCD would also include IGMSY training in its regular job and refresher training courses of ICDS functionaries.
- iv. State ICDS and Health Departments through their training Institutes should ensure all concerned personnel are trained in IGMSY in selected districts.
- v. Capacity building should include training of PRI members.
- vi. IEC activities at sector/project/district level and State/UT level should be organized for spreading awareness about the Scheme and sensitizing all concerned. A one-page pamphlet informing the intended beneficiaries about the Scheme, criterion to be met to receive the financial benefits and mechanisms to receive the money and from whom and when may be considered to be distributed to the service providers and beneficiaries.
- vii. Advertisements as IEC may be used to spread mass awareness about the Scheme (Para 3.11 (c) may also be seen).

### **3.11 Inter-departmental convergence:**

The implementation of IGMSY requires close coordination with the following Departments for:

#### **a) Health Department:**

- i. Ensuring services and counseling is given during VHND and women are motivated to avail benefits of this Scheme.
- ii. Promoting early initiation of breastfeeding, colostrum feeding and exclusive breastfeeding for first six months as part of the JSY package.
- iii. Ensuring availability of IFA tablets and vaccine supply to meet the increased demand.
- iv. Ensuring MCP cards are available and used.
- v. Organizing sensitization and training programs for IGMSY for all concerned staff.
- vi. Organizing joint community mobilization activities, especially during Breastfeeding Week (1-7 August), National Nutrition Week (1-7 September), etc besides any other such events.

**b) Panchayati Raj Institutions:**

- i. Organizing community awareness events.
- ii. Providing additional incentives to mothers through their own funds.
- iii. Conducting social audits/addressing grievances.

**c) Information / Public Relations Department:** Publicity and mass reach through- All India Radio, Song and Drama Division, Directorate of Audio Visual Publicity (DAVP), Division of Field Publicity, State IEC Bureau, Print Media, Regional TV channels, etc.

**d) Lead State and District Post Office/Banks:** for opening of no frill accounts with zero balance for IGMSY beneficiaries and devising appropriate cash transfer mechanism for smooth transactions in 52 selected districts.

**e) State Training Institutes/Medical Colleges** for ensuring their training curriculum includes training on IGMSY.

# 4

## IMPLEMENTATION MODALITIES

### 4.1 Establishment of an IGMSY Section:

- i. In order to ensure effective implementation of the Scheme, an IGMSY Section will be established within MWCD, New Delhi.
- ii. Every state would establish a State-level IGMSY Cell within the Department of Women and Child Development, which will be under the supervision of concerned State Secretary. Director (ICDS) will be responsible for the day to day implementation of the Scheme at the State/UT level. Each SG/UT should designate one Officer as nodal person in-charge for IGMSY at State-level.
- iii. The Scheme provides for **two additional staff at State/UT level**: One State Programme Coordinator and one State Programme Assistant, on contractual basis and **two additional staff at District level**: One District Programme Coordinator and one District Programme Assistant, on contractual basis, to support implementation of the Scheme.
- iv. Under the overall supervision of the District Magistrate/ Collector, the District Programme Officer will be in-charge of day-to-day implementation of the Scheme at district level. At project-level - Child Development Project Officers, at sector-level – Supervisors and at village/ward-level - AWWs and AWHs will be responsible for the implementation of IGMSY.
- v. Each State/UT should create office space for the Cell and ensure office space is provided at district level for which funds are provided in the Scheme.
- vi. The recruitment of contractual staff at State/UT level will be done by the concerned Secretary. The recruitment of contractual staff at District-level will be done by the concerned DPO in consultation with the Director, ICDS, at State-level.
- vii. The additional staff hired would be on contractual basis, with no liability to the Government. Each of the above-mentioned staff hired should have clear Terms of Reference (as decided by the SG/UT) and be given salary as per budget earmarked in the Scheme. Contracts for all such staff would be renewed annually based on performance.
- viii. Minimum indicative qualifications and experience for the contractual staff to be hired may be as under:

	<b>Education qualification</b>	<b>Experience/Competencies</b>
<b>State Programme Coordinator</b>	Postgraduate in social sciences/life sciences/nutrition / medicine / health management / social work/ rural management	i. At least 3 years experience of working with the Government/Non-Government organizations. ii. Proficiency in using MS-office.
<b>District Programme Coordinator</b>		i. At least 1 year experience of working with the Government/Non-Government organizations. ii. Proficiency in using MS-office
<b>State Programme Assistant</b>	Graduate in social sciences /social work/rural management/statistics.	i. At least 2 years experience of working with Government/ Non-Government organizations. ii. Proficiency in using MS-office, data entry and analysis.
<b>District Programme Assistant</b>		i. At least 1 year experience of working with Government/ Non-Government organizations. ii. Proficiency in using MS-Office and data entry.

- ix. Functions for the IGMSY Section and Cells at State and District-level are detailed in **Annex D**.

#### **4.2 IGMSY Steering and Monitoring Committees:**

- i. Steering and Monitoring Committees would be formed at National, State, District, Project and Village-level to ensure effective implementation of this Scheme.
- ii. If an ICDS Committee or SABLA Monitoring and Supervision Committee has been constituted, IGMSY Steering and Monitoring committee may be a sub-committee of these Committees and members from Banking/Post Office may be added. **Formation of separate IGMSY committees at State/District/Project/Village-level would be at the discretion of the SGs/UTs.**
- iii. These committees shall review, monitor and advise on matters relating to the implementation of the Scheme. They shall review progress of the Scheme and strengthen the coordination and convergence between concerned Departments. Such committees will also consider the bottlenecks faced during the implementation of the Scheme and suggest modifications required for improving the implementation. The Committees should meet Quarterly or earlier, if needed, as per the discretion of the Chairperson. Technical experts, NGOs or civil society groups may also be invited, if considered appropriate.
- iv. The suggestive composition of IGMSY Steering and Monitoring Committees are detailed in **Annex E**.

## 5 FUND FLOW AND DISBURSEMENT MECHANISM

- i. GoI will provide cent percent funding for the implementation of the IGMSY to the SGs/UTs. The day to day implementation and administrative matters will be the responsibility of the concerned Secretary dealing with the Scheme in the SG/UT. Financial provisions under IGMSY are at **Annex I**.
- ii. The financial assistance to the SGs/UTs will be given in installments by GoI. The 1<sup>st</sup> installment in April/May will be released by GoI based on indicative entitlement whereas the next installment would be based on the actual expenditure reflected in the SoE.
- iii. The SG/UT shall in turn provide grant-in-aid to the IGMSY special account at State-level and District/Project level for speedy fund flow.
- iv. The processing of disbursement to the beneficiaries for each tranche should be completed within 30 days of fulfilment of the conditionality for that tranche. Receiving the financial benefits timely by the beneficiary is imperative for the success of the Scheme and should be ensured.
- v. Advance grant-in-aid can be given from State IGMSY cell to District and from District/Project-level to General Post Office/Bank on Quarterly basis. Based on utilization certificate received from GPO/Bank, next Quarter funds may accordingly be disbursed to them.

## RECORDS, REPORTS, MONITORING AND EVALUATION

### 6.1 Records and Reports:

- i. One IGMSY register (to be opened every financial year) has to be maintained at the AWC by AWW (**Annex F**). **The IGMSY register** is meant to identify and keep a record of all beneficiaries under a particular AWC area. The register needs to be filled in blue ink/ball point pen except total of Part I, which is to be filled in pencil. There are three parts of the IGMSY register (Part I, II and III):
  - a. **Part I** is the record of all Pregnant and Lactating (P & L) women in the AWC area. Part I helps in identifying the eligible and actual beneficiaries out of all P and L women in the AWC area and keeps record of month when the actual beneficiaries exit out of the Scheme.
  - b. **Part II** contains two sections – Part II (A) and Part II (B).
    - i. Part II (A) is the undertaking to be filled by the beneficiary at the time of registration into the Scheme.
    - ii. Part II (B) is the individual record of only the actual IGMSY beneficiaries on the conditions fulfilled. It is to be filled-in upon registration under the Scheme and updated as and when the actual beneficiary fulfills conditions and receives payment until the beneficiary exits from the Scheme.
  - c. **Part III** is the monthly update of all actual beneficiaries in terms of their present Status and installments which are due, received and pending. It is to be filled in each month.

When a woman comes to the AWC to register herself under IGMSY, the AWW will fill the details of the woman in Part I of the register. Based on the information filled in Part I, if the woman is eligible and availing the benefit under the Scheme, she becomes an actual beneficiary. A signed undertaking needs to be taken necessarily from beneficiary (Part II (A)) and her details will be added and her progress tracked in Part II (B) until she exits from Scheme. Monthly progress of all actual beneficiaries will be updated in Part III. Instructions for the AWW on 'How to fill the IGMSY Register' is at **Annex. F**.

- ii. AWW will give a Monthly Progress Report (MPR) on the Scheme to the Supervisor in the format at **Annex G (i)**.
- iii. The monthly reports received by the AWW will be compiled by Supervisor in the format at **Annex G (ii)** and submitted to the CDPO. Sector-wise report will be submitted by the CDPO in the format at **Annex G (iii)** to the district IGMSY cell. DPO will send the

project-wise report on fixed day each month to State IGMSY cell in the format at **Annex G (iv)**.

- iv. Quarterly and Annual Statement of Expenditure (SoE) along with Physical and financial reporting in prescribed formats (**Annex H i-ii**) will be consolidated by the SG/UT to be sent to Gol, by the following dates :

- Annual physical and financial report for previous year : 31<sup>st</sup> May
- Quarter ending 30<sup>th</sup> June : by 15<sup>th</sup> July
- Quarter ending 30<sup>th</sup> September : by 15<sup>th</sup> October
- Quarter ending 31<sup>st</sup> December : by 15<sup>th</sup> January
- Quarter ending 31<sup>st</sup> March : by 15<sup>th</sup> April

Time schedule for submission of SoE, physical and financial reporting may be strictly adhered, to enable Gol to release the funds to SGs/UTs in time.

## **6.2 Monitoring and Supervision:**

- i. The monitoring and supervision mechanism set up under the ICDS at all levels would be used for this Scheme since it is to be implemented using ICDS platform.
- ii. Field visits should be undertaken by the State Officials/DPO/CDPO/Supervisors as per the supervision schedule under ICDS.

## **6.3 Evaluation:**

- i. Baseline and endline surveys will be conducted to assess the effect of the Scheme. Concurrent evaluation will also be carried out.
- ii. The formats and methodology for the surveys/concurrent evaluation mechanism would be devised by the GOI to maintain uniformity.

# 7 SOCIAL AUDITS/ ADDRESSING GRIEVANCES

- i. A grievance can be defined as any sort of discontent/dissatisfaction, which needs to be redressed in order to bring about the smooth functioning of the Scheme. Some indicative examples of grievances could be:
  - No services provided by the AWW/AWH/ANM
  - Irregular (delayed or short) payments of the installments to the beneficiaries
  - Exclusion of some beneficiaries owing to caste/class/personal bias
  - Victimization
  - Corruption
- ii. The States may consider setting up a formal grievance redressal mechanism at project and district level for handling complaints, determining the time limits and responsible units for addressing complaints and taking necessary action. Existing grievance redressal units, e.g., Collector's grievance redressal unit / Zilla Parishad Council at district-level, may be considered for addressing grievances related to this Scheme.
- iii. Issues and grievances related to the Scheme should be discussed in the meeting of the Village Health and Sanitation Committee (VHSC) or Village-level IGMSY Steering and Monitoring Committee and forwarded to the project-level steering and monitoring committee for necessary action.
- iv. Entitlements under the Scheme, eligibility criteria and list of beneficiaries should be pasted at the AWC to maintain transparency. Further for Social Audits, IGMSY should be an agenda point during the Gram Sabhas. Wherever possible, special Women Gram Sabhas (Mahila Sabhas) may be convened by the Women Sarpanch/Panchayat member. During the Mahila Sabhas, names of IGMSY beneficiaries should be informed to the community members by the Anganwadi Worker/member secretary of Village-level IGMSY Steering and Monitoring Committee. Representatives of Bank, Post office and District IGMSY cell may also be invited to these meetings. Mahila Sabha meetings may be held twice a year.
- v. In areas where Mahila Sabhas are not in existence, the IGMSY Steering and Monitoring Committee at village-level may hold such a meeting by inviting community members.

## **How to fill the IGMSY register Instructions for the Anganwadi worker**

### **a) Purpose of the IGMSY register:**

The IGMSY register is meant to identify and keep a record of all beneficiaries under the Scheme in the AWC area. **Every financial year a new register is to be opened.** The register needs to be filled in blue ink/ball point pen.

### **b) Organization of the register:**

There is a cover page and Parts I, II and III of the IGMSY register:

- i. **Part I** is the record of all Pregnant and Lactating (P & L) women in the AWC area. Part I helps in identifying the eligible and actual beneficiaries out of all P & L women and keeps record of month when the actual beneficiaries exit out of the Scheme.
- ii. **Part II** is the record of actual beneficiaries. It has two parts. Part II (A) is the undertaking to be filled by the beneficiary at the time of registration into the Scheme. Part II (B) is the individual record of actual IGMSY beneficiaries. It is to be filled-in for all actual beneficiaries upon registration under the Scheme and updated as and when the actual beneficiary fulfills conditions and receives payment until the beneficiary exits from the Scheme.
- iii. **Part III** is the monthly record of all actual beneficiaries in terms of their present Status and installments which are due, received or pending.

### **c) How to fill the register?**

- i. **Cover Page:** There are 14 items to be filled on the cover page.
  - Write the name of State/UT.
  - Write the financial year and date of opening of the register in that financial year in dd/mm/yy format. For the financial year 2010-11 the date of opening of register will be the date of start of IGMSY baseline survey. E.g., 01.12.10.
  - Write the complete name and address of the AWC and the AWC Code number.
  - Write your name, name of the AWH, ASHA and ANM.
  - Write the name of Village / Mohalla / Locality.
  - Write the name of the ICDS Sector / Ward and Project as well as the District /City under which the AWC falls.
  - Write the attached Sub-Centre or Urban Health Centre/Post.

- ii. **Part I of IGMSY register-Record of all Pregnant and Lactating Women in the AWC area)**: Write the month of the baseline survey and fill the table on this sheet column-wise. After the baseline survey, the name of each month is to be written and entries to be filled below it. E.g., Write January and then entries for January. Thereafter write February and then entries for February and so on.
- Col 1: **S.No.**: Serial Number of the entry.
  - Col 2: **Name**: First, Middle and Last Name of the P/L woman should be written as it is generally written by her. E.g., Rajni Ben Vaidya.
  - Col 3: **Category**: Write 'SC' or 'ST' and if the family belongs to neither of these categories then write 'Other'. All General categories, OBCs, Minorities etc. will be written as 'Other'.
  - Col 4: **Date of Registration with IGMSY**: Write the date in dd/mm/yy format when the woman comes to register herself with IGMSY at the AWC.
  - Col 5: **Date of Birth**: The date of birth of the P/L woman is to be entered (if available) in dd/mm/yy format. E.g., 06.10.96.
  - Col 6: **Age of woman**: Age of the P/L woman in completed years on the date of registration with IGMSY should be entered. E.g., if the woman is 19 years and 2 months, write '19'.
  - Col 7: **Number of live births**: The number of live births the P/L woman has had on the date of registration with IGMSY needs to be entered here. Live births includes the children who were born alive but does not include still births. E.g., if the woman has had 4 deliveries, but 1 child was born as still birth and then one child died after age of 8 months, the entry will be '3'.
  - Col 8: **Self/Husband working in Govt./PSU**: If the woman or her Husband is an employee of Central/State Government/Public Sector Undertaking, write 'Y' (meaning Yes) otherwise write 'N' (meaning No).
  - Col 09: **Status**: Write 'P' if the woman is Pregnant and 'L' if the woman is a Lactating woman at the time of registration with IGMSY.
  - Col 10: **Month of Pregnancy/Lactation**: Write the month of Pregnancy/Lactation as reported by the woman at the time of registration with IGMSY. E.g., if the woman is 3 months pregnant write '3'. If the child is 1 month old means the woman is lactating write '1'. Col 9 & 10 together will give the status.
  - Col 11: **P/L woman eligible under IGMSY**: 'Y' is to be filled in Column 11 if the woman is eligible i.e., Column 7 is greater  $\geq$  19 (meaning woman is 19 years or above) and Column 8 is 0 or 1 (meaning woman has up to 2 live births) and if Column 9 is N (No) (meaning the woman or her husband are not Government/PSU employees). If P/L woman is not eligible write "N".
  - **Fill Column 12 onwards ONLY if Column 11 is Y.**
  - Col 12: **P/L woman actual beneficiary under IGMSY**: If P/L woman is eligible under IGMSY (i.e., Col 11 is 'Y') and is actually availing the benefit of the Scheme

and signed the undertaking given in Part II (A), then write 'Y' in Col. 12. If not availing write 'N'.

- Col. 13: **Month of exit of actual beneficiary from the Scheme:** Fill from Part II (B) of Register (individual record of actual beneficiary) month when the beneficiary exits from the Scheme is to be written here.
- **TOTAL:** Calculate totals from Col. 9, 11 and 12 P/L wise. Only the 'Y' is to be counted in Col 11-12. Since these totals will be changed every month, the entry should be done in pencil.

iii. **Part II (A) of IGMSY Register-Undertaking by the Beneficiary:** Part II (A) is an undertaking to be filled in for the beneficiary at the time of registration under the Scheme. The undertaking is a self-certification of the eligibility of the beneficiary into the Scheme and is availing the benefit of the Scheme from one AWC only. The personal details of the woman are to be filled in first. At the bottom, the beneficiary will sign or put her thumb print. The undertaking should necessarily be filled.

iv. **Part II (B) of IGMSY Register- Individual record of the beneficiaries:**

- On the top right corner first write the S.No.in 3-digit. E.g., 001, 012. This S.No. will be written in Part III of the register. This number will continue till her exit from the Scheme.
- Write the first, middle and last name of the beneficiary.

**Box:**

- **Box 1:** Fill the following beneficiary details given by the beneficiary at the time of registration from Part I of the register: Status at the time of registration - Pregnant / Lactating - L (tick one), tick on the month of Pregnancy / Lactation at the time of registration) and tick on the category (SC / ST / Other). Write the Husband's/Father's name and Adhaar number, if available (in the 12 box spaces).
- **Box 2:** Write the date of child birth in dd/mm/yy format. Tick whether the child birth took place at home, a government hospital or a private hospital or clinic.
- **Box 3:** Write the contact address of the beneficiary. Write the Contact number: contain mobile number or landline number, whichever is available.
- **Box 4:** Write the details of bank/post office account of beneficiary - the address of Bank/Post Office and account number.

**Table:**

- Col. 1: **Conditions:** is the conditionality for the three installments which is already printed. In case of counseling received (which is a conditionality for all three installments) a tick has to be marked at the place where the counseling was received (AWC or VHND or home).

- Col. 2: **Fulfilled Conditions Yes-Y/No-N:** Write 'Y' if the conditionality is fulfilled and 'N' if the conditionality is not fulfilled.
- Col. 3: **Dates(s):** Write the date of fulfillment of conditions. In case of weighing of child and counseling, write the dates when weighing and counseling was done.
- Col. 4: **Signature of AWW on fulfillment of conditionality:** This is to be signed only once after the beneficiary completes ALL the conditions for that installment.
- Col. 5: **Signature of the beneficiary on receipt of payment with date:** This is to be signed/thumb printed by beneficiary on receiving the due installment. Write Pending in Col. 5 if the beneficiary has not received payment even after 1 month of fulfilling the conditions.
- At the bottom of the table, write date when the beneficiary exits from the Scheme and tick one of the reasons for exit.

v. **Part III of IGMSY Register- Monthly record of actual beneficiaries under IGMSY Scheme:** One page has to be filled each month to give updated information for that month. This should be filled-in by 3<sup>rd</sup> of every month.

- Col 1: **S. No. in Part II (B) of register:** Write the 3-digit S.No. of the beneficiary as given in Part II (B) of the Register (Individual record of actual beneficiary i.e., 001. This will not change for the beneficiary till she exits from the Scheme. This will be her identification number for IGMSY.
- Col 2 & 3: **Name & Category:** This should be the same as information from Part I.
- Col 4 & 5: **Status in reporting month:** The current status of the woman - whether the woman is Pregnant or Lactating and what is her month of Pregnancy or Lactation will be written here. P 8 means the woman is 8 months pregnant. L 4 means the woman is 4 months lactating. E.g., if a woman is P6 in February, she will be P7 in March and so on.
- Col 6-8: **Type of Beneficiary:** Whether the beneficiary is continuing from previous month or is a new entrant needs to be ticked in the respective Columns. E.g., tick in Col. 6 she was a beneficiary in previous month also. Tick in Col. 7 if the beneficiary is a new entry because she is newly pregnant. Tick in Col. 8 if the beneficiary is a new entry because she has migrated in the area.
- Col 9-11: **Installment(s):** In that particular month, write currently which installment is pending (Col. 9) and due (Col. 10) to the beneficiary and which installment has the beneficiary received (Col. 11). Write '0', '1<sup>st</sup>', '2<sup>nd</sup>', '3<sup>rd</sup>', in the respective columns.
  - Pending (Col. 9) is to be filled from Col. 5, Part II (B) of register. Pending means that the beneficiary had fulfilled conditionality for receiving a particular installment last month but has not received installment even after 1 month of fulfilling the conditionality.

- Due (Col. 10) is to be filled from Col. 4 of Part II (B) of register. Installment due means installment for which the beneficiary has fulfilled the conditionality this month.
- Received (Col. 11) is to be filled from Col. 5 of Part II (B) of register. Received means that beneficiary has received the installment in this month.
- Please note that installment pending and received in that particular month can be more than one.
- Col 12: **Reason for exit from Scheme:** When the beneficiary exits from the Scheme, write the code for the reason of exit. Write '1' - if she has received all due installments-'1', Write '2' if she has migrated out. However this information would need verification since the beneficiary would not be there. Write '3' if the beneficiary dies during the Scheme period. Write '4' if the infant dies between birth and 6 months of age.
- **TOTAL:** Calculate totals from Col. 4 and 6-12, as indicated. For Col 9-11, against 1<sup>st</sup>, the total number of beneficiaries for whom 1<sup>st</sup> is written is to be counted. In case, 1<sup>st</sup> and 2<sup>nd</sup> both are written, each will be counted and so on.

vi. **ABSTRACT OF THE MONTH:**

- After filling-up the details in Part III of the register i.e., the monthly record of actual beneficiaries under IGMSY Scheme, write an abstract of number of Pregnant and Lactating women status-wise in the format given below on the left-side margin of Part III of register.

MONTH: _____			
Number of Pregnant Women (P)		Number of Lactating Women (L)	
P1	_____	L1	_____
P2	_____	L2	_____
P3	_____	L3	_____
P4	_____	<b>L4</b>	_____
P5	_____	L5	_____
P6	_____	<b>L6</b>	_____
<b>P7</b>	_____		
P8	_____		
P9	_____		
Total P:	_____	Total L:	_____
Grand Total (P+L): _____			

- This abstract should be made by the 3<sup>rd</sup> of every month, when the Part III of the register is filled. Details of number of women of each status are available in Col 4 & 5 of Part III of Register. E.g., if there are 4 women whose status is P6 in Col 4 & 5, then 4 will be written against P6. The total of monthly abstract should be same as total of Col 4 of Part III of register.
- This abstract will give an overview of the status-wise (E.g., P8, L4, etc) number of beneficiaries in every month. This will also reflect clearly as to how many women are due for installments in the month. E.g., women with status P7 will be due for 1<sup>st</sup> installment and women with status L4 will be due for 2<sup>nd</sup> installment if conditions are fulfilled. Women with status L6 will be due for 3<sup>rd</sup> installment in next month. These numbers should tally with Col 10 of Part III of register.
