Your child would like to apply to take part in the BBC programme Junior MasterChef. If successful we will film their experience during the weeks commencing 6th August, 2012.

For the application to be considered, children need to provide the completed questionnaire and a signed parental consent form, which should be sent directly to the external company, Shine TV, a company which is making the programme for BBC.

The production company is looking for a variety of different qualities from an applicant and also receives a large number of applications. Therefore, we cannot guarantee that everyone will be successful. Only those who make it to the next round will be contacted by the production team.

Should the application be successful, the information provided may be used by the programme, but will not be used for any other purpose. Your details will not be stored in a database and all applications will be destroyed once they have been processed.
