Note: See other side for Confidentiality Agreement.

Distribution: The chairman of the hearing board will send MCP Form 184 and Notification of Hearing Form (MCP Form 183) to the prosecutor and defendant. The parties will attach a completed copy of the form to all documents and evidence exchanged, and each will return a completed copy to the chairman within the specified period.

Note: Use blank sheet if additional space is necessary.

Subpoenas for the witness named above will be issued by the chairman of the hearing board upon the request of a party. In the event of a postponement, continuance or because a settlement has been reached, the requesting party is responsible for notifying the witness subpoenaed by him and advising them of the new hearing date, if any.

A party may excuse the witnesses he has subpoenaed from attending a hearing for any reason. However, if a witness has been subpoenaed by both parties and/or the hearing board, the witness may not be excused without the agreement of all parties and/or the hearing board.

Because a party may excuse witnesses he has subpoenaed, do not rely on the adversary's subpoena if you intend to call that witness during the presentation of your case.

CONFIDENTIALITY AGREEMENT

The agreement herein shall likewise bind my representative, agent, or legal counsel. Use or disclosure of said confidential information for any purpose other than that here stated, shall constitute a breach of this agreement and subject the party to administrative charges, which may result in my dismissal from the Maryland Capitol Police.
