RE: Medicaid Coverage for Newborn Children of Medicaid Eligible Mothers (Including SSI Mothers)

Medicaid is available to certain children born to mothers eligible for and receiving Medicaid at the time of the child's birth. The child may be eligible for Medicaid up to age one.

In order to have Medicaid pay claims for the child, please answer the following questions and return this letter in the postage-paid envelope (if provided), or mail it to the address listed above or fax it to 334-242-0566. (If this form is completed in the hospital, the hospital will fax it to Medicaid.)

Please print your responses to the following questions:

1. What is the name of the child? _____
2. What is the sex of the child? _____ Male _____ Female
3. What is the date of birth of the child? _____
4. If the child has a Social Security Number, please list the number: _____
5. Does/will the child live in the home with the mother? _____ Yes _____ No
6. Will the child require additional days in the hospital? _____ Yes _____ No
7. Mother's Signature _____
8. Mother's Social Security Number _____
9. Mother's daytime telephone number, including area code (_____) _____
10. Does the mother receive SSI? _____ Yes _____ No

Please remember that the above information is needed in order to pay medical bills for the child up to age one. The Medicaid card must be presented to the provider of medical services in order for payment to be made. If the child does not have a Social Security number yet, please notify Medicaid as soon as you have your child's Social Security number.
