

Minnesota Common Grant Application Form

Revised December 2000

Dear Nonprofit Colleague,

We are pleased to introduce an updated version of the Minnesota Common Grant Application form. Minnesota grantmakers developed this form to make the grantseeking process simpler and more efficient for nonprofits. For ease of use and to eliminate unnecessary duplication of work, you may reproduce any part of the form you find helpful including the COVER SHEET and BUDGET forms.

Keep in mind that every grantmaker has different guidelines and priorities, as well as different deadlines and timetables. Before submitting this application to a potential funder, it is very important that you check to see whether your project or program matches their published interests. Any funder that has agreed to accept this form may request additional information as needed.

STRATEGIES FOR SUCCESSFUL GRANTSEEKING

1. **Do your research** to determine whether the foundations' and corporations' goals and objectives for grantmaking are consistent with your type of grant request.
2. After you do the research, find out the preferred method of contact for the grantmaker, and contact the grantmaker to secure their specific grantmaking guidelines. Many grantmakers generally like to have initial contact with you before receiving a written proposal.
3. Include a cover letter with each proposal that introduces your organization and your proposal, and makes a strategic link between your proposal and the funder's mission and grantmaking interests.
4. Type and single-space all proposals.
5. Answer all the questions in the order listed.
6. Submit the number of copies each grantmaker requests according to their guidelines.
7. Do not include any materials other than those specifically requested at this time.

RESOURCES
