The applicant understands that the approval means eligibility for insurance reimbursement as a clinic or center pursuant to Minnesota Statutes, section 62A.152 only; approval shall not be construed as endorsement or accreditation by DHS, nor entitle the applicant to any other reimbursement or privilege. It is agreed that the approval procedure will require the applicant to submit a completed application form and the prescribed fee.

The applicant will receive written notice of the commissioner's decision. The applicant agrees that the department is solely responsible for approval or nonapproval of a mental health center or clinic under said rule, and the applicant's rights, remedies, and grievances shall exist exclusively against the department.

The applicant is responsible for reporting to the Commissioner any changes during the approval period in staffing, treatment, or quality assurance standards which affect the applicant's compliance with Minnesota Rules, parts 9520.0750 to 9520.0870 or Minnesota Statutes, section 245.69, subdivision 2.
