### **Instructions to Complete Form 20**

**Line 2.** Generally, you should have your federal employer ID number (EIN) prior to applying for a Nebraska tax program license. An EIN can be applied for at [irs.gov/businesses](https://irs.gov/businesses). If you are required to have an EIN and you do not have one at the time you submit this application, you must provide the Nebraska Department of Revenue (DOR) with your EIN after it is received. When you get your EIN, complete a [Nebraska Change Request, Form 22](#), and put your EIN in box 2, and write "Not available at time of application" in box 11. A Form 22 is also used to make any other changes after this Form 20 has been submitted. This includes address, filing frequency, ownership, etc.

**Line 6.** Individuals must provide their Social Security number (SSN), address, and title on this application. This is mandatory. The SSN or EIN is needed to properly identify you and process your application and other documents. DOR has the legal right to require this information per [Neb. Rev. Stat. §§ 77-2705](#) and [77-27,119](#). Submit a [Nebraska Change Request, Form 22](#), to update officers, ownership information, or any other changes for this business.

**Line 12.** Direct sellers (home party and direct sales companies) marketing through independent sales representatives, sometimes referred to as consultants or distributors, may request a Distributor's Agreement (DA). This DA allows sales tax to be collected and remitted by the direct selling company, rather than by each of its independent sales representatives. Direct selling companies should request a DA in the line 12 area. See [Nebraska Sales and Use Tax Reg-1-033, Transient and Itinerant Sellers](#).

Construction contractors who repair property annexed to real estate or annex property to real estate must be registered in the Nebraska Department of Labor's Contractor Registration Database. Registration is applied for at [dol.nebraska.gov](https://dol.nebraska.gov). This Database requires each contractor to elect an option for reporting sales and use tax on building materials. This election will determine if a sales or use tax permit is needed. See [Reg-1-017 Contractors](#).

**Lines 13 and 14d.** A [Power of Attorney, Form 33](#), is available on DOR's website.

**Line 16.** An authorized contact person designated on line 16 will have the authority to receive the Nebraska ID number assigned from this application.

### **Electronic Filing and Payment Information**

#### **Electronic Filing**

[Sales and use tax filers](#) filing Form 10, Prepaid Wireless Surcharge filers filing Form E911N, and [income tax withholding tax filers](#) filing Forms 941N, W-3N, W-2, and 1099 are encouraged to [e-file](#) their returns.

#### **Electronic Payment Options**

Businesses are encouraged to [make payments electronically](#) for all of the tax programs that support this payment option, even though some of these [tax programs](#) still require filing a paper return. Those tax returns identified in the Electronic Filing paragraph above can be e-filed. Certain taxpayers with annual payments in excess of mandated thresholds are required to make electronic payments.

### **Nebraska Licensing or Registration Requirements**

#### **Sales and Use Tax**

**Sales Tax Permit.** Every person engaged in business as a retailer making retail sales of taxable property or services in Nebraska must obtain a sales tax permit for **each** location in Nebraska (see [Reg-1-004, Permits](#)). A separate permit is required for **each** retail location. Every [remote seller](#) and every [Multivendor Marketplace Platform \(MMP\)](#) with more than \$100,000 of gross sales or 200 or more transactions in Nebraska is engaged in business in Nebraska. Sales of a remote seller through an MMP count towards the thresholds. Every person, including every MMP making taxable sales in Nebraska, is a retailer, must hold a Nebraska Sales Tax Permit, and must file a Nebraska and Local Sales and Use Tax Return, Form 10. See the [Sales Tax Regulations](#) for additional information.

Any retailer having at least 80% ownership in more than one licensed location making retail sales in Nebraska may apply for permission to file a combined sales tax return by filing a [Nebraska Combined Filing Application, Form 11](#). All combined sales and use tax filers must e-file on a monthly basis using DOR's [NebFile](#) program.

**Use Tax Permit.** Every individual or business, storing, distributing, using, or consuming property or taxable services in Nebraska, is subject to use tax on taxable purchases when the Nebraska sales tax has not been paid. Obtaining a sales tax permit allows you to electronically report and pay both sales tax and use tax on a Form 10. If you are not required to have a sales tax permit, you may apply for a use tax permit.

#### **Income Tax Withholding and Income Tax**

**Income Tax Withholding.** If you have an office or conduct business in Nebraska, or are considered an employer for federal purposes, you must apply for an income tax withholding certificate prior to withholding income taxes for Nebraska. See the [Withholding Regulations](#) for additional information. The income tax withholding requirement extends to payments made to all employees, including nonresidents, for services performed in Nebraska. Income tax withholding may also be required when paying a nonresident of Nebraska who is not an employee, for services performed in Nebraska. Gambling winnings

and other payments that are subject to federal income tax withholding are included in the term “wages” and are subject to Nebraska income tax withholding. Income tax withholding may also be required for certain construction contractors who are not registered on the Contractor Registration Database at [dol.nebraska.gov](http://dol.nebraska.gov). Nebraska income tax must also be withheld on pension and annuity payments which are subject to federal income tax withholding.

**Corporation Income Tax.** Every business entity subject to federal corporate income tax with Nebraska source income must file a [Nebraska Corporation Income Tax Return, Form 1120N](#). Insurance companies and certain nonprofit organizations filing Federal Forms 990-T, 1120H, or 1120POL, must also file Form 1120N. Corporations and limited liability companies with Nebraska source income which have elected to file under Subchapter S of the Internal Revenue Code must file a Nebraska S Corporation Income Tax Return, Form 1120-SN.

**Partnership Income Tax.** The [Nebraska Partnership Return of Income, Form 1065N](#), must be filed by every partnership with Nebraska source income. Form 1065N must also be filed by an LLC which is treated as a partnership for federal income tax purposes and which derives income from Nebraska sources.

**Fiduciary Income Tax.** Every fiduciary of a resident estate or trust must file a [Nebraska Fiduciary Income Tax Return, Form 1041N](#), if the estate or trust is required to file a federal income tax return for the taxable year. A fiduciary return is not required for a simple trust if all of the trust’s beneficiaries are residents of Nebraska, all of the trust’s income is derived from sources in Nebraska, and the trust has no federal taxable income.

**Financial Institution Tax.** Every financial institution which maintains a permanent place of business in Nebraska and actively solicits deposits from Nebraska residents must file a [Nebraska Financial Institution Tax Return, Form 1120NF](#). A financial institution does not file a Nebraska Corporation Income Tax Return.

### **Miscellaneous Tax Programs**

**Tire Fee.** Retailers selling new tires for a motor vehicle, trailer, semitrailer, or farm tractor must obtain a tire fee permit. Only one permit is issued regardless of the number of locations selling new tires (see [Nebraska Tire Fee Information Guide](#)).

**Lodging Tax.** Any person operating a hotel, motel, inn, campground, bed and breakfast, or other lodging facility in Nebraska must obtain a lodging tax permit for **each** location. The location address and the county of business location given on this application must be the actual physical location of the lodging facility, not a management company or office location (see [Nebraska and Local Taxes on Lodging Information Guide](#) and [GIL 1-19-1 Short-term Rental Licensing, filing, Tax Base, and Collection Responsibilities for Lodging and Sales Taxes](#)). An MMP must obtain both a sales tax permit and a lodging tax permit and collect and remit the sales and lodging taxes for all sales they facilitate. The short-term rental owner, referred to as “Host” is also required to be licensed for sales and lodging taxes.

**Litter Fee.** Manufacturers, wholesalers, and retailers having annual gross proceeds of \$100,000 or more from sales in this state of products subject to the litter fee must obtain a litter fee license for **each place of business**.
