ELIGIBILITY FORM

ELIGIBILITY NOTICE

Please be advised that you should give your immediate supervisor proper notice of your plan to take a leave in an effort to assist the District with securing proper staffing during your absence.

In short, FMLA (the "Family Medical Leave Act") allows for employees to care for themselves and/or immediate family members; NJFLA (the "New Jersey Family Leave Act") only allows for employees to care for immediate family members.

Notice of **APPROVAL** to take a leave of absence can only be provided by the Office of Administrative Operation Services ("AOS"). The terms and conditions to take a leave of absence are found in your respective Collective Bargaining Agreement. AOS is charged with the responsibility of determining "eligibility" of the employee's request to take a leave of absence. The process to take a medical leave of absence, with the exception of an emergent leave, includes AOS's determination as to whether the employee:

1. Worked for Newark Public Schools for **at least 12 months**;
2. Worked **at least 1,250 hours** during the 12 months prior to the start of the FMLA;
3. Worked for Newark Public Schools for **at least 1,000 hours** during the last 12 months (NJFLA); and
4. Submitted a medical certificate approved by the Newark Public Schools Health Services Office/District physician.

With regard to requests to take a medical leave of absence, employees are responsible to provide the Newark Public Schools with:

1. At least 30 days' notice to take a leave;
2. Completed application forms; and
3. Complete medical certificate(s).[1]

No employee should take a leave of absence without receipt of a **WRITTEN APPROVAL** by AOS. **Upon approval of "eligibility," we ask that you complete and return a copy of the HIPAA form together with FMLA/NJFLA form.**

DEFINITIONS:

A "**Serious Health Condition**" means an illness, injury impairment or physical/ mental condition that involves one of the following:

1. Hospital Care

Inpatient care (*i.e.*, an overnight stay) in hospital, hospice or residential medical care facility, including any period of incapacity or subsequent treatment in connection with or consequent to such inpatient care.

2. Absence Plus Treatment

a) A period of incapacity of **more than three consecutive calendar days** (including any subsequent treatment or period of incapacity relating to the same condition) that also involves:

1) **Treatment two or more times** by a health care provider, nurse or physician's assistant under direct supervision of a health care provider or by a provider of health care services (*e.g.*, physical therapist under orders of or on referral by a health care provider; or

2) **Treatment** by a health care provider on **at least one occasion** which results in a **regimen of continuing treatment**[3] under the supervision of the health care provider.

3. Pregnancy

Any period of incapacity due to **pregnancy** or **prenatal care**.

4. Chronic Conditions Requiring Treatments

A **chronic condition** which:

a) Requires **periodic visits** for treatment by a health care provider, nurse or physician's assistant under direct supervision of a health care provider;

b) Continues over an **extended period of time** (including recurring episodes of s single underlying condition); and

c) May cause **episodic** rather than a continuing period of incapacity (*e.g.*, asthma, diabetes, epilepsy, etc.).

5. Permanent/Long-term Conditions Requiring Supervision

A period of **incapacity** which is **permanent or long-term** due to a condition for which treatment may not be effective. The employee or family member must be **under the continued supervision of, but need not be receiving active treatment by, a health care provider**. Examples include Alzheimer's, a severe stroke or the terminal stages of a disease.

6. Multiple Treatments (Non-Chronic Conditions)

Any period of absence to receive **multiple treatments** (including any period of recovery therefore) by a health care provider or by a provider of health care services under orders of or on referral by a health care provider, either for **restorative surgery** after an accident or other injury or for a condition that **would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment**, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy), and kidney disease (dialysis).

This optional form may be used by employees to satisfy a mandatory requirement to furnish a medical certification (when requested) from a health care provider, including second or third opinions and recertification (29 CFR 825.306).

Note: Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number.

[3] A regimen of continuing treatment includes, for example, a course of prescription medication (*e.g.*, an antibiotic) or therapy requiring special equipment to resolve or alleviate the health condition. A regimen of treatment does not include the taking of over-the-counter medications such as aspirin, antihistamines, or slaves; or bed-rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider.
