ACCESS Service (General Information)

ACCESS is a shared-ride paratransit service that is available to qualified applicants whose physical or cognitive limitations prevent them from utilizing OCTA’s regular fixed route bus service.

ACCESS service is provided within a ¾ mile of, and during similar hours as, OCTA’s regular fixed route service. ACCESS service/scheduling guidelines include scheduling trips within 60 minutes of the requested time, picking up customers within a quoted 30 minute pick-up window and ride times generally not exceeding 90 minutes for each trip.

ACCESS Fares

The standard fare is $3.60 per passenger for each one-way trip within Orange County. There is an additional charge of $5.00 each time a driver goes to the door (for customers who prefer to be escorted) to pick up or to drop off a rider.

Curb to curb service at pick-up & destination = $3.60
Door to curb service at either pick-up or destination = $8.60 ($3.60 + $5.00)
Door to door service at both pick-up & destination = $13.60 ($3.60 + $5.00 + $5.00)

These are total amounts for a ONE-WAY ride. If you book a round trip, remember to calculate the amount for both ways.

Eligibility

Eligibility is determined by 3 factors:
- Individual's ability to get to/from the bus stop
- Individual's ability to board/exit the bus
- Individual's cognitive ability to navigate the regular bus system.
Operational issues not used to determine eligibility, include:

- Age
- Distance
- Overcrowded buses
- Weather conditions
- Lack of bus service to an area

Operational issues are not considered in the eligibility process. These are issues that affect any individual, whether they suffer from a disability or not. The individual's disability (ies) and how it affects their functional ability to use regular bus service is the only criterion used in determining eligibility.

ACCESS eligibility may be granted for up to 5 years. Customers wishing to continue ACCESS service must reapply and complete the eligibility process prior to their eligibility expiration date in order to prevent a lapse in ACCESS service.

Certification Process

The certification process consists of a completed application and a one hour in-person functional assessment. If using a mobility device, please bring the device to the interview. ACCESS service may be made available to and from the in-person functional assessment upon request; standard ACCESS fares ($3.60 to $13.60) and scheduling guidelines apply (see page 1). The entire assessment process may take from 4 to 6 hours. Photo ID is needed to verify customers for the in-person assessment.

Individuals are notified by mail regarding their eligibility determination. If you become eligible for the ACCESS service, you will receive an ACCESS identification number and a Rider's Guide describing the ACCESS service and booking process in more detail.

For additional information or assistance, please contact the ACCESS eligibility department at (714) 560-5956 or review the OCTA website at www.octa.net
