

Certificate of Authorization application instructions

Each application must include...

- Notarized **Certificate of Authorization application**: PES 3011.
- Separate notarized **Company affidavit of responsibility** for each professional engineer and professional surveyor designated in responsible charge: PES 3012.
- An **active Ohio Secretary of State charter or registration number** authorizing the company to do business in the state of Ohio. In addition, if a company is using a **doing business as** (DBA) name, an active Ohio Secretary of State charter or registration number authorizing the company's DBA name to do business in the state of Ohio is needed.
- Appropriate application fee, using check or money order, and made payable in U.S. funds to **Treasurer, State of Ohio**. NEW, ADDITIONAL SERVICE, NAME CHANGE, or ADDING DBA application fee is \$50.00. ANNUAL RENEWAL application fee is \$25.00. LATE ANNUAL RENEWAL application fee is \$37.50.

Contacting Ohio's Secretary of State

Contact information for the Ohio Secretary of State's office is provided as a courtesy and may be subject to change.

- On the web www.sos.state.oh.us
- Telephone (877) 767-6446 U.S. toll free or (614) 466-2655 Columbus metro

Important checklist information

- Application must be filled out completely. **All fields are required** unless otherwise indicated.
- Each full-time employee designated in responsible for, and responsible charge of, the professional engineering or professional surveying activities and decisions must fill out **Company affidavit of responsibility** PES 3012.
- The full-time employee must be a partner, manager, member, officer or director and shall be registered in this state. Full-time, as defined in Ohio R.C. section 4733.16, means working more than 30 hours per week or working substantially all the engineering and/or surveying hours for a company that holds a Certificate of Authorization.
- The company and/or its DBA must hold an active registration(s) with the Ohio Secretary of State.
- Applications without the correct fee or with incomplete information will be returned.
- All Certificates of Authorization expire annually on June 30.
- Failure to renew the Certificate of Authorization by the June 30 deadline renders the company inactive and unauthorized to practice in the state of Ohio.
- Companies must notify the Board within 30 days of any change of the company's name or address.
- Companies are responsible for notifying the Board within 30 days of any changes of partners, managers, officers, members, directors, shareholders, designated professional engineers, designated professional surveyors or change of ownership.
- Companies with a name change must file a new application and include an application fee of \$50.00.
- Companies adding an additional service must file a new application and include an application fee of \$50.00.
- Companies that do not wish to renew their Certificate of Authorization must notify the Board in writing.
- A Certificate of Authorization is not the same as an individual license to practice professional engineering or professional surveying in the state of Ohio.

Disclosure statement, privacy notice

Ohio's State Board of Registration for Professional Engineers and Surveyors is requesting disclosure of information that is necessary to accomplish our statutory purposes required by Ohio Revised Code Chapter 4733. Failure to provide required information may result in your approval being delayed or your application being returned. Subject to certain Ohio Revised Code statutory exceptions, most documents and records maintained by the state of Ohio, including those maintained by the Board, are public records under Ohio law. This means that information submitted to us from you may be subject to disclosure if there is an official public records request.

Deliver your completed **Certificate of Authorization application** with affidavit(s) and fee to the Board's address below.

Registered individuals in responsible charge

All professional services shall be executed by, or be under the direct supervision of, an Ohio-registered professional engineer or professional surveyor. Pursuant to Ohio R.C. section 4733.16, each corporation, limited liability company, partnership or professional association through which professional engineering or surveying services are offered or provided in Ohio, shall designate one or more directors, partners, managers, members or officers employed by the company full time as being responsible for and in responsible charge of the professional engineering or professional surveying activities and decisions of the company.

Name, registration number, position of registrant in responsible charge

IMPORTANT! Each registrant listed as in responsible charge must include an accompanying **Company Affidavit of Responsibility** (PES 3012). If more than four registrants are in responsible charge, attach additional pages with the same information.
