Ohio IT 3

Transmittal of W-2 and 1099-R Statements

Instructions

- 1. Filing Deadline: The Ohio IT 3 must be filed by January 31st or within 60 days after discontinuation of business. If filing an IT 3 for tax year 2021, the Ohio Department of Taxation has extended the deadline to March 2, 2022.
- 2. Filing Instructions: Since all employers are required to file their Ohio employer and school district withholding returns and payments electronically, all employers, retirement system payers and or third-party administrators that issue 10 or more W-2s and/or 1099-Rs will be required to upload their W-2/1099-R information electronically through the Ohio Business Gateway.
 - Those employers/payers who issue less than 10 W-2s and/or 1099-Rs that choose not to file their W-2 and/or 1099-R information through the W-2/1099 Upload will be required to file a paper version of the IT 3 AND attach a copy of the W-2s and/or 1099-Rs that were issued to employees/payees.
 - The option to submit W-2/1099-R information via CD has been eliminated.
 - Corrected W-2s must be submitted by paper with an IT 3.
 - · ODT does not currently accept electronically filed Corrected W2s.
