Ohio IT - 501 Wizard

The OBG system uses a “Wizard” process to make the IT - 501 form easier to complete. This Wizard steps you through the process of answering a few simple questions and filling in the blanks provided. The Wizard follows the following process:

IT - 501

The *Employer's Payment of Ohio Tax Withheld Form IT – 501* page is provided by the OBG to as a “Wizard”—a process designed to help Ohio business taxpayers step through the process of completing the *IT – 501* report online.

The Employer’s Payment of Ohio Tax Withheld Form (Ohio IT – 501) page provides you the opportunity to select an account number and enter withholding information associated with that account number.

Note: You cannot file two returns of the same type (for example two IT-501’s) or for the same account number and filing period. You cannot file more than once per day for the same account number and filing period.

Instructions

Note: You cannot file two returns of the same type (for example two IT-501's) or for the same account number and filing period. You cannot file more than once per day for the same account number and filing period.

- Select the Withholding Account Number for this report from the drop down list. If you need to add a new school district to this account, click . The system directs you to the *Select School District* page (see [Select School District](#) on page 52 for instructions).
- Select the Return Type for this report (Original or Amended). You may select only one.

If the system detects an SD-141 for the same Account and Report Year, it sets the Return Type to "Amended."

The system will not permit you to start a new return for the same account and report period if it detects one already in "In Process" or "Ready to File" status.

- If you want to cancel the displayed “Withholding Account Number,” select the “Yes” radio button. The current year **MUST** be the “Report Year” to cancel a School District Withholding Account.
- The “Last Day of Compensation Paid” field is required when you select “Yes” to cancel a school district withholding account. Enter the last day compensation was paid (format mm/dd/yyyy, for example 04/01/2002).
- Select the “Report Year” from the drop down list.
- When all the information is selected and is correct, click . The system moves to the next page in the *SD-141* Wizard.

SD-141 Withholding Information

The *Annual Reconciliation of School District Tax Withheld (Ohio SD-141)* page is the second step in the Wizard. This page lists the school districts associated with the account number, their school district number, and tax rate. Fields are provided to enter the amount of tax withheld and any payments made for each district, along with an overpayment amount. In addition, the  button connects you to the *Select School District* page to add or remove a school district included in your account profile.
