Additional statements may have photo copied or carbon signatures.

Section I

DEBTOR NAME: A debtor is any person or business subjecting an Oklahoma-produced agricultural product to a security interest. A debtor can be an individual, partnership, corporation, limited liability company, trust or any other business entity.

List only **one** individual, business or DBA per debtor block. A debtor may not be listed more than once on the EFS-1 form. For individuals, list the last name followed by the first name and middle name or initial. Put nicknames in parenthesis. For businesses, list the first word or character that is not an article or punctuation mark. The DBA must be listed as a separate debtor with an ID number and a signature.

ADDRESS: A street address, rural route or post office box, city, state and zip code must be entered.

SOCIAL SECURITY NUMBER OR FEDERAL TAX IDENTIFICATION NUMBER: For individuals, their social security number must be listed. For each business, the Tax ID number must be listed. For a business without a Tax ID number, the owner's social security number may be listed for one business.

SIGNATURE: Each debtor block **MUST** have a signature. For businesses, an authorized representative must sign his or her name.

SECURED PARTY: Name, mailing address and Tax ID number must be completed. If an individual is listed as the secured party, he or she must sign. For a business, an authorized representative must sign. One secured party per filing.

Section II (See Product and County Code lists for help in completing this section)

PRODUCT CODE: The three-digit product code for each farm product must be listed. To cover all products, each product must be listed on the EFS form. *There is no blanket code to cover all products.*

PRODUCT NAME: The product name from the product list must be entered. There is a limit of 20 product listings per EFS filing.

COUNTY PRODUCED: The two-digit county code where the farm product is produced must be listed. This must be an Oklahoma county. *The code "00" may be used to blanket all 77 Oklahoma counties.*

CROP YEAR: No entry is required if all crop years are covered. If no crop year is listed, the EFS is applicable for every crop year for the duration of the lien. If fewer than all crop years are covered, the four-digit crop year must be listed

DEFINITION: For a crop grown in the soil: the calendar year in which it is harvested or to be harvested.

For animals: the calendar year in which they are born or acquired.

For poultry or eggs: the calendar year in which they are sold or to be sold.

PRODUCT DESCRIPTION: No entry is required if all of a product is covered. If less than all of a product is covered, describe the product or location to distinguish it from other such products owned by the debtor that are not subject to the security interest. Please describe only the product listed. The filing is applicable only for the product description listed. Brand symbols cannot be included unless they can be typed on a normal keyboard.

DURATION OF FILING: An EFS is effective for five years from the filing date of the EFS-1, unless a termination is filed. To extend the expiration date by five years, a continuation (EFS-2) may be filed within the six months before the EFS will expire.

PURPOSE OF FILING: Notice is provided to registered buyers of agricultural products that you have a lien against the collateral listed so a two-party check may be issued. The EFS does not perfect your security interest in the collateral.

ATTACHMENTS: If there is more debtor or product information than can be listed on the first EFS form, write SEE ATTACHMENT at the top of the first form, and use additional EFS forms. On additional forms, write ATTACHMENT on the top of each form. Submit three copies of each attachment form when filing. There is no additional fee for filing the EFS with attachments.

FILING FEE: \$10.00
