**SECTION 6: DEFINITIONS**

- For the **Military Service Deferment** only:
  - **Active duty** means full-time duty in the active military service of the United States as defined in 10 U.S.C. 101(d)(1), but does not include training or attendance at a service school.
  - **Serving on active duty during a war or other military operation or national emergency** means service by an individual who is (1) a Reserve of an Armed Force ordered to active duty under 10 U.S.C. 12301(a), 12301(g), 12302, 12304, or 12306; or (2) a retired member of an Armed Force ordered to active duty under 10 U.S.C. 688 for service in connection with a war or other military operation or national emergency, regardless of the location at which the active duty service is performed; or (3) any other member of an Armed Force on active duty in connection with the emergency or subsequent actions or conditions who has been assigned to a duty station at a location other than the location where the member is normally assigned.
  - **Military operation** means a contingency operation as defined in 10 U.S.C. 101(a)(13). A contingency operation is a military operation that (1) is designated by the U.S. Secretary of Defense as an operation in which members of the Armed Forces are or may become involved in military actions, operations, or hostilities against an enemy of the U.S. or against an opposing military force; or (2) results in the call or order to, or retention on, active duty of members of the uniformed services under 10 U.S.C. 688, 12301(a), 12302, 12304, 12305, or 12406; 10 U.S.C. Chapter 15; or any other provision of law during a war or during a national emergency declared by the President or Congress.
  - **National emergency** means the national emergency by reason of certain terrorist attacks declared by the President on September 14, 2001, or subsequent national emergencies declared by the President by reason of terrorist attacks.
  - **Qualifying National Guard duty during a war or other operation or national emergency** means training or other duty, other than inactive, performed by a member of the National Guard on full-time National Guard duty, as defined in 10 U.S.C. 101(d)(5), under a call to active service authorized by the President or the Secretary of Defense. The training or other duty must be performed for more than 30 consecutive days under 32 U.S.C. 502(f) in connection with a war, other military operation, or national emergency as declared by the President and supported by federal funds.
- For the **Post-Active Duty Student Deferment** only:
  - For a Reserve or retired member of an Armed Force, **active duty** means full-time duty in the active military service of the United States as defined in 10 U.S.C. 101(d)(1) for at least 30 consecutive days of service, but does not include training or attendance at a service school.
  - For a member of the National Guard, **active duty** means (1) active state duty under which a governor activates National Guard personnel based on state law or policy and the activities of the National Guard are paid for with state funds; and (2) full-time National Guard duty under which a governor is authorized, with the approval of the President or the U.S. Secretary of Defense, to order a member to state active duty and the activities of the National Guard are paid for with federal funds. Active duty for this deferment does not include (1) active duty for training or attendance at a service school, or (2) employment in a full-time, permanent position in the National Guard unless you are reassigned to active state duty or full-time National Guard duty as described in (1) and (2) of the preceding sentence.
- An **authorized certifying official** is my commanding or personnel officer.
- **Capitalization** is the addition of unpaid interest to the principal balance of my FFEL or Direct Loan program loan. The principal balance of a loan increases when payments are postponed during deferment/forbearance and unpaid interest is capitalized. As a result, more interest may accrue over the life of the loan, the monthly payment amount may be higher, or more payments may be required. The chart provides estimates, for a \$15,000 loan balance at a 9% interest rate, of the monthly payments due following a 12-month deferment/forbearance. It compares the effects of paying interest, capitalizing interest at the end of a deferment/forbearance, and capitalizing interest quarterly and at the end of a deferment/forbearance. Your actual loan interest cost will depend on your interest rate, length of any deferment/forbearance, frequency of capitalization, and whether interest is payable by the federal government. Paying interest during the period of deferment lowers the monthly payment by about \$18 a month or about \$772 over the life of the loan, as depicted in the chart below.

Treatment of Interest Accrued During Deferment	Loan Amount	Capitalized Interest for 12 Months	Principal to Be Repaid	Monthly Payment	Number of Payments	Total Amount Repaid	Total Interest Paid
Interest is paid	\$15,000.00	\$0.00	\$15,000.00	\$190.01	120	\$24,151.64*	\$9,151.64
Interest is capitalized at the end of deferment	\$15,000.00	\$1,350.00	\$16,350.00	\$207.11	120	\$24,853.79	\$9,853.79
Interest is capitalized quarterly during deferment and at the end of deferment	\$15,000.00	\$1,396.25	\$16,396.25	\$207.70	120	\$24,924.09	\$9,924.09

\*Total amount repaid includes \$1,350 of interest paid during the 12-month period of deferment.

- A **deferment** is a period during which I am entitled to postpone repayment of the principal balance of my loan(s). Interest is not charged during a deferment on subsidized FFEL or Direct Loan program loans, or on Perkins Loan Program loans. Interest is charged during a deferment on unsubsidized FFEL and Direct Loan program loans, unless I qualify for the no interest accrual benefit for active duty service members (see Section 7). **Note:** Interest is not charged on a Federal Consolidation Loan during a deferment only if (1) the application for the Consolidation Loan was received by my loan holder on or after January 1, 1993, but before August 10, 1993; (2) the application was received by my loan holder on or after August 10, 1993, and the Federal Consolidation Loan includes **only** Federal Stafford Loans that were eligible for federal interest subsidy; or (3) the application was received by my loan holder on or after November 13, 1997, in which case interest is not charged on the portion of the Federal Consolidation Loan that paid a subsidized FFEL or Direct Loan program loan.
- The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal PLUS Loans, Federal Consolidation Loans, and Federal Supplemental Loans for Students (SLS). **Note:** SLS loans are no longer made under this program, but the deferments covered on this form are available to borrowers with SLS loans that are still in repayment.
- The **Federal Perkins Loan (Perkins Loan) Program** includes Federal Perkins Loans, National Direct Student Loans (NDSL), and National Defense Student Loans (Defense Loans).
- The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Federal Direct Stafford/Ford (Direct Subsidized) Loans, Federal Direct Unsubsidized Stafford/Ford (Direct Unsubsidized) Loans, Federal Direct PLUS (Direct PLUS) Loans, and Federal Direct Consolidation (Direct Consolidation) Loans.
- **Forbearance** means permitting the temporary cessation of payments, allowing an extension of time for making payments, or temporarily accepting smaller payments than scheduled. I am responsible for paying the interest that accrues on my loan(s) during a forbearance. If I do not pay the interest that accrues on a FFEL or Direct Loan program loan during forbearance, it may be capitalized. Unpaid interest that accrues on a Perkins Loan Program loan during a forbearance is not capitalized.
- The **holder** of my FFEL Program loan(s) may be a lender, guaranty agency, secondary market, or the U.S. Department of Education (the Department). The holder of my Direct Loan Program loan(s) is the Department. The holder of my Perkins Loan Program loan(s) may be a school or the Department.

**SECTION 7: ELIGIBILITY REQUIREMENTS AND TERMS/CONDITIONS FOR MILITARY SERVICE DEFERMENT AND POST-ACTIVE DUTY STUDENT DEFERMENT**

- **Military Service Deferment eligibility requirements:** I may defer repayment of my loan(s) while I am **(1)** serving on active duty during a war or other military operation or national emergency or **(2)** performing qualifying National Guard duty during a war or other military operation or national emergency, and for an additional 180 days following the completion of my qualifying military service. I must provide my loan holder with a copy of my military orders or a written statement from my commanding or personnel officer, or I must have my commanding or personnel officer certify in Section 4 on this form.
- **Post-Active Duty Student Deferment eligibility requirements:** I may defer repayment of my loan(s) after my active duty military service and any applicable grace period until the earlier of **(a)** the date I resume enrollment at an eligible school on at least a half-time basis, or **(b)** 13 months following the completion of my active duty military service and any applicable grace period, if **(1)** I am a member of the National Guard or other reserve component of the Armed Forces or a retired member, and my service includes a period on or after October 1, 2007; **(2)** I was enrolled at least half time at an eligible school at the time I was called to active duty or within 6 months before the date I was called to active duty; **(3)** I provide my loan holder with the name of the school I attended and my last date of attendance; and **(4)** I provide my loan holder with a copy of my military orders or a written statement from my commanding or personnel officer, or my commanding or personnel officer certifies in Section 4 on this form.
- I am not required to make payments of loan principal during my deferment. I will not be charged interest on my Perkins Loan Program loan(s) or on my subsidized FFEL or Direct Loan program loan(s) during my deferment. However, I will be charged interest on my unsubsidized FFEL and Direct Loan program loan(s), unless I qualify for the Direct Loan Program's no interest accrual benefit for active duty service members as explained below.
- I have the option of paying the interest that accrues on my unsubsidized FFEL or Direct Loan program loan(s) during my deferment. My loan holder may capitalize interest that I do not pay during the deferment period on my unsubsidized FFEL or Direct Loan program loan(s).
- If my deferment does not cover all my past due payments, my loan holder may grant me **(a)** a forbearance for all payments due before the date my deferment begins, or **(b)** a forbearance for all payments due at the time my deferment request is processed if the period for which I am eligible for a deferment has ended.
- My loan holder may capitalize unpaid interest that accrues during a forbearance period on my FFEL or Direct Loan program loan(s), and this will increase the principal balance of the loan(s). Unpaid interest that accrues on a Perkins Loan Program loan during a forbearance period is not capitalized.
- My loan holder may grant me a forbearance on my FFEL or Direct Loan program loan(s) for up to 60 days, if necessary, for the collection and processing of documentation related to my deferment request. Interest that accrues during this forbearance period will not be capitalized.
- If I am a Direct Loan borrower, no interest will be charged on my Direct Loan Program loans that were first disbursed on or after October 1, 2008, or on the portion of a Direct Consolidation Loan that repaid Direct Loan or FFEL Program loans that were first disbursed on or after October 1, 2008, for a period not to exceed 60 months while I:
  - Qualify for a military service deferment (see Section 2, Item A) as described in Sections 6 and 7, and
  - Serve in an area of hostilities in which service qualifies for special pay under section 310 of title 37, United States Code, as certified by an authorized official in Section 4, or documented in a written statement from my commanding or personnel officer or in a copy of my military orders.
- I will provide additional documentation to my loan holder, as required, to support my eligibility for this deferment.
- I will notify my loan holder immediately if I stop performing the military duty that qualifies me for the deferment I have requested or if I otherwise become ineligible for this deferment.
