Privacy Act

The Office of Personnel Management is authorized to rate applicants for Federal jobs under sections 1302, 3301, and 3304 of title 5 of the U.S. Code. Section 1104 of title 5 allows the Office of Personnel Management to authorize other Federal Agencies to rate applicants for Federal jobs. We need the information you put on this form to see how well your education and work skills qualify you for a Federal job. We also need information on matters such as citizenship and military service to see whether you are affected by laws we must follow in deciding who may be employed by the Federal Government.

We must have your Social Security Number (SSN) to identify your records because other people may have the same name and birthdate. The Office of Personnel Management may also use your SSN to make requests for information about you from employers, schools, banks, and others who know you, but only as allowed by law or Presidential directive. The information we collect by using your SSN will be used for employment purposes and also for studies and statistics that will not identify you.

Information we have about you may also be given to Federal, State and local agencies for checking on law violations or for other lawful purposes. We may send your name and address to State and local Government agencies, Congressional and other public offices, and public international organizations, if they request names of people to consider for employment. We may also notify your school placement office if you are selected for a Federal job.

Giving us your SSN or any of the other information is voluntary. However, we cannot process your application, which is the first step toward getting a job, if you do not give us the information we request.
