GENERAL:

Under the North Carolina National Guard Tuition Assistance Program (NC TAP), members may be awarded monetary assistance for tuition and required fees. Required textbooks and materials are the student's responsibility and may be awarded by the program if funding is available after tuition and required fees has been paid for each approved application. The determination to award a monetary benefit for textbooks and materials will be made at the end of the program's fiscal year.

NC TAP benefits can be used at any approved educational institution in North Carolina. Please visit <http://www.northcarolina.edu/content.php/apps/ncsaa/index.php> for a list of approved North Carolina Schools.

Maximum award per academic year (1 July to 30 June) is based on the highest tuition and fees at The University of North Carolina at Chapel Hill which may be used in one academic period or as the applicant desires. Award may be decreased, at the program manager's discretion, due to budget constraints. Awards are made on a first-come, first-served basis until funds are depleted.

NC TAP is a reimbursement program and payments may be delayed after an award is issued. Applicants should NOT depend on monetary funds awarded through NC TAP for living, transportation, meals and other related expenses. All efforts will be made to expedite an award letter to the school once an applicant has been approved to receive tuition benefits.

Required fees are those fees which are universally applied to ALL students attending the education institution. Fees cannot be applied towards room and board, meals, health insurance and other optional fees.

If NC TAP is combined with any other military tuition assistance program then the combined programs cannot exceed the cost of tuition and required fees. Any and all excess funds after the aforementioned costs MUST be returned to the Education Services Office.

Based on approval of the application for tuition assistance by JFHQ-NC-J1-RRC-ESO, an award letter is issued to the educational institution and serves as authority to invoice the Department of Crime Control and Public Safety c/o NC Army National Guard Education Services Office for the amount specified in the award letter.

_____ I certify that the information provided herein is correct to the best of my knowledge. I have read the provisions of JFHQ-NC Regulation 621-1 and understand that an award under the NC National Guard Tuition Assistance Program is dependent upon the availability of funds and a determination by the Adjutant General that the proposed academic program is in conformity with the intent of the NCNG Tuition Assistance Act and that all eligibility requirements have been met.
