Explanation of the Office Policies of The Intensive Outpatient for Substance Abuse Program at Prince William Hospital

We welcome you to the The Intensive Outpatient for Substance Abuse Program at Prince William Hospital and assure you that we will provide you the best care possible. This information is intended to provide clarification and prevent future misunderstanding. The demand for Intensive Outpatient services is overwhelming. The appointment time you schedule is unavailable to many others seeking treatment.

Emergency Issues

Should you become suicidal or homicidal or require inpatient detox services, go directly to the nearest emergency room for evaluation. Make sure to give the emergency room the name and number of your Psychiatrist or Therapist. For urgent issues requiring attention of your provider, call the office to leave a message and the office staff will have the provider call at their first opportunity. Please note the days your provider is in the office.

Scheduled Evaluations

Please note your appointment time carefully. This time is being reserved for you. If you miss an evaluation without calling 48 hours in advance to cancel, you will be charged \$100.00. If you miss a night of group treatment, and are a no call, no show, you will be charged \$50.00. Keep in mind that insurance companies do not pay for missed appointments/missed treatment and you will be billed separately for this.

Insurance Coverage

We will be glad to help you obtain the appropriate benefit from your insurance carrier and bill your carrier as a courtesy to you. Please remember that the insurance benefits are based on a contract between you and your insurance carrier, and **you are ultimately responsible for your account balance should your insurance company deny payment.**

Payment for Services

Non-payment on your account can result in termination of services and referral to another provider. **If your account is referred for collection you will be responsible for collection costs in the amount of 30% of your outstanding balance, together with court costs and attorney's fees.**

Returned Checks

Checks that are returned to The Prince William Health System are subject to a \$25 bank processing charge.

Changes

When there are changes in your insurance coverage, personal information, or medical history please notify our office on our next visit, or you may call the office to provide such information. Phone # 703-369-8409

By signing below I certify that I consent to treatment at the Intensive Outpatient for Substance Abuse Program, and have read and understand the office policies. I agree to pay the fees established by this office or my HMO managed care or insurance plan.
