This authorization will remain in effect until cancelled in writing.

TRIBAL MEMBER'S SIGNATURE

DATE

The following is a brief explanation of the Per Capita Direct Deposit Authorization Form and process. If you have a specific question, not mentioned here, please be sure to contact the Department of Treasury.

- Changes (Additions/Deletions) will be done by the middle of the month prior to Per Capita Distribution.
- Any Per Capita Direct Deposit forms received after the deadline will be processed for the next per capita disbursement.
- All changes/cancellations must be in writing. This would include, but not be limited to the following:
 - Change Name
 - Change from Checking Account to Savings Account
 - Cancellation of Direct Deposit
- You can fax or mail an updated form for changes or a written cancellation request to the Department of Treasury.
- Per Capita Advances will be disbursement in the same manner that the Tribal member receives their quarterly Per Cap distributions (Manual Checks or Direct Deposit).

If the Department of Treasury receives an error report that your account has been closed, you will automatically be taken out of the direct deposit database. Or if the error report indicates that it has incorrect routing and/or account numbers, the Department of Treasury will contact you by phone using the phone number listed on your authorization form.

Please be advised: Address Verification and Direct Deposit Authorization are two separate forms. The Enrollment Office requires Address Verification forms to be received by July 15th of each calendar year. Address Verification forms not returned by July 15th will result in Enrollment delaying your future per capita disbursements until they can verify your address. Once your address is verified, the per capita disbursements you missed will be issued to you, during the next check run, by means of a paper check, and your direct deposit will start on the next quarterly disbursement.

- All Changes or Cancellations **MUST** be in writing.
- The Department of Treasury **DOES NOT** change addresses. You will have to contact Enrollment to change your address. The Department of Treasury only processes direct deposit information, not change addresses for the next per capita distribution.
