1. Missionaries

A. Tony/Janet Ens, Key-Way-Tin Bible Institute, Lac la Biche, AB. Tony & I enjoy the team setting. Having mature native Christians as colleagues is a real blessing. It is also a joy to see the students growing in the Lord. All of us have adjusted well to living at KBI. When the snow was slow in coming, the boys became concerned. Now we have almost 2 feet of snow, a winter wonderland! The outdoor rink is ready with more reasonable temperatures, skating & hockey is taking up a fair amount of their time & energy. Chris is enjoying his machining apprenticeship in Whitehorse. We want to thank you for your gifts to NCEM on our behalf. And a special thank you for the gift toward our vehicle project when we were with you in Oct. We bought a 2000 GMC Yukon XL. The 8 passenger size has been a blessing for taking students on ministry trips or picking up visitors from Edmonton. If any of you travel through our area, please drop in. We would love to visit over coffee or a meal.

B. Marsden Giesbrecht, along with 5 people from Kinistin, are joining a team going to Mexico on a short-term (2 week) mission trip to help out at an orphanage there. Pray for the team as well as the wives that stayed home with children.
