Once you complete the form above to the tow yard and print, just scroll up and change the "To:" filed to the police department and print. This will help from re-typing the entire form all over again.

There are two fields you can not enter on the form online. The first field is the name of our repossessor and your signature. Make sure you sign the form and we will enter the name of the recovery agent once we receive the completed forms.

Make sure you <u>Sign</u> both forms and fax them to us along with:
the copy of the <u>Title</u> and <u>Contract</u>.
