Income Tax Liability Thresholds—The 2021 filing threshold amount based upon federal poverty level is expected to be \$12,880 for a family size of one (single, or married living apart from your spouse for the entire year), \$17,420 for a family of two (single with one dependent child or a married couple), \$21,690 for a family of three (single with two dependent children or a married couple with one dependent child) and \$26,500 for a family of four or more (single with three dependent children or a married couple with two or more dependent children). Modified gross income is equal to your federal adjusted gross income plus any interest income from other states municipal bonds and pension income from a qualifying lump-sum distribution.
