## TIPS FOR RENTING A ROOM IN A LANDLORD'S HOME

*Open and honest communication, right from the start, is the key to a successful relationship.*

### **Legislation**

When someone rents a room where they are living with the landlord, or a member of the landlord's immediate family, the arrangement is a **license** between the landlord (**licensor**) and the roomer (**licensee**). *Neither the Tenant Protection Act nor the Commercial Tenancies Act applies.*

### **House Rules**

Clearly identify what the house rules and agreements are and include these as part of the rental agreement. Be sure to have this document signed by both parties. Once established, these house rules **should not** change unless agreed upon, in writing, by both parties.

### **Overnight Guest Policy**

Include the overnight guest policy in the house rules & agreements - are guests permitted, if so how many? How often?

### **Laundry Privileges**

Specify the laundry privileges - if necessary, specify a day and time each week when the roomer can do laundry. How many loads allowed per week? Is there an additional charge?

### **Parking**

If parking is provided, it may be helpful to designate a spot in the driveway for each vehicle. If vehicle shuffling is necessary, will the roomer and landlord have access to each other's car keys?

### **Smoking and Pets**

Specify whether or not smoking is allowed. In which rooms? Outside only? Are pets allowed?

### **Name, Address and Phone Number of Your Student**

The landlord should be provided with the roomer's full name, home address and telephone number, as the University cannot release personal information should they need to be contacted at a later date, or in the event of an emergency. Does the roomer have a friend who is a local contact in case of emergency?

### **Entry of Their Room**

Specify under what circumstances the landlord will enter the roomer's room? In case of fire or other emergency? If they go away for the weekend and leave a window open? Regular cleaning? Both parties must be respectful of each other's right to privacy.

### **Phone, Cable or Internet Connection**

Specify what services are provided, if they are shared, any rules for sharing, how costs are shared.

### **Candles and Incense**

Agree upon whether or not candles or incense may be burned, and if so when/where.

### **Recycling and Waste Collection**

Roomers need to be informed about Guelph's Wet-Dry+ system, and to sort their waste accordingly.

### **Landlord - Roomer Disputes**

Although the Off-Campus Housing Office will not get directly involved in disputes, the staff can offer information to both parties and can make referrals for you for mediation or other services/support.
