Instructions

General information

The **New York State School Tax Relief (STAR) Program** provides an exemption from school taxes for owner-occupied, primary residences where the combined 2014 income of the owners and spouses who reside on the property does not exceed \$500,000. Senior citizens with combined 2014 incomes that do not exceed \$84,550 may qualify for a larger *Enhanced* exemption.

Note: Senior citizens who wish to continue receiving Enhanced STAR in future years without having to reapply and submit copies of their tax returns to their assessor every year are invited to sign up for the STAR Income Verification Program. See Form RP-425-IVP, *School Tax Relief (STAR) Exemption, Optional Income Verification Program*, for more information.

Seniors who do not choose to enroll in the income verification program must reapply each year to keep the *Enhanced* exemption in effect. If you are receiving the *Basic* exemption, you usually do not need to reapply in subsequent years, but you must notify the assessor if your primary residence changes and must provide income documentation when requested.

Deadline: The application must be filed with your local assessor on or before the applicable *taxable status date*, which is generally March 1; in Westchester towns it is either May 1 or June 1 - contact local assessor; in Nassau County it is January 2, and; in cities, check with your assessor. For further information, ask your local assessor.

Once a new homeowner has applied to his or her local assessor and received a Basic STAR exemption, the homeowner is required to register his or her STAR exemption with the NYS Department of Taxation and Finance (DTF). The homeowner will be notified by mail when he or she is to register with DTF.

Application instructions

Print the name and mailing address of each person who both **owns and primarily resides** in the property. (If the title to the property is in a trust, the trust beneficiaries are deemed to be the owners for STAR purposes.) There is no single factor which determines whether the property is your primary residence, but factors such as utility bills, voting and automobile registrations, and the length of time you occupy the property each year may be relevant. The assessor may ask you to provide proof of residency and ownership. For the enhanced exemption, proof of age may also be required. The parcel identification number may be obtained from either the assessment roll or your tax bill.

Income for STAR purposes: Use the following table for identifying the line references on 2014 federal and state income tax forms. You may **not** use your 2015 tax forms.
