I _____ (Print Full Name), am the customer of record and party responsible for telephone service
 _____ (Telephone Number) located at _____ (Complete Address).

Dropped call disputes must be submitted within 90 days of the date of the call in order to be eligible to receive a call credit. I hereby affirm that the following calls initiated in the last 90 days were disconnected prematurely before I or the other party completed the collect call. I am disputing the following calls billed to my above referenced telephone account:

Date: _____ Time: _____ From: _____
 Date: _____ Time: _____ From: _____
 Date: _____ Time: _____ From: _____

Please note that Securus is not responsible for the transmission quality of wireless/cellular networks. These networks experience dropped calls. Therefore, Securus cannot issue credits for dropped calls to cell phones or wireless devices.

This document authorizes SCBS to conduct a complete investigation to determine why these calls terminated. I understand that in order to fully investigate this matter, SCBS may access call records, call recordings or other records pertaining to my telephone account, and I authorize SCBS this access.

SCBS will solely credit calls placed to landline numbers if the calls terminated for reasons SCBS is able to verify. Calls are verified to determine reason for disconnect. Calls will not be credited if any of the following occurred:

When SCBS has completed their investigation, my account will be updated with actions taken to address these disputes. The investigation could take up to 30 days to complete upon receipt of form. I understand and agree that completing this form does not absolve me from financial responsibility should the above call charges be sustained at the completion of the investigation. This form provides the authorization for SCBS to research and investigate the calls listed above. If SCBS determines that the calls under investigation were terminated due to either party disconnecting the call, I understand I will be responsible for the call charges. If SCBS determines the calls were prematurely disconnected at no fault of either party, adjustments will be made to my telephone account.
