

QUESTIONNAIRE FOR PUBLIC TRUST POSITIONS

Follow instructions completely or your form will be unable to be processed. If you have any questions, contact the office that provided you the form.

All questions on this form must be answered **completely and truthfully** in order that the Government may make the determinations described below on a complete record. Penalties for inaccurate or false statements are discussed below. **If you are a current civilian employee of the federal government:** failure to answer any questions completely and truthfully could result in an adverse personnel action against you, including loss of employment; with respect to Sections 21, 25, and 27, however, neither your truthful responses nor information derived from those responses will be used as evidence against you in a subsequent criminal proceeding.

Note: If you complete the SF 85P, an Authorization for Release of Medical Information Pursuant to the Health Insurance Portability and Accountability Act (HIPAA) will be provided to you only in the event information arises in an investigation that requires further inquiry for resolution, and only to resolve such issues. This release authorizes an investigator to ask your health practitioner(s) only the questions specified on the release concerning mental health consultations of which the practitioner might be aware. If you are completing the SF 85P with the supplemental SF 85P-S, this release will be provided to you if you respond "yes" to the question regarding Your Medical Record. You may also be asked to complete a specific release if more detailed information is needed from your provider.

Purpose of this Form

This form will be used by the United States (U.S.) Government in conducting background investigations and reinvestigations of persons under consideration for, or retention of, public trust positions as defined in 5 CFR 731. This form may also be used by agencies in determining whether a subject performing work for, or on behalf of, the Government under a contract should be deemed eligible for logical or physical access when duties to be performed by an employee of a contractor are equivalent to the duties performed by an employee in a public trust position. For applicants, this form is to be used only after a conditional offer of employment has been made. This form is not to be used for National Security sensitive positions.

Providing this information is voluntary. If you do not provide each item of requested information, however, we will not be able to complete your investigation, which will adversely affect your eligibility for a public trust position or your ability to obtain or retain Federal or contract employment, or logical or physical access. It is imperative that the information provided be true and accurate, to the best of your knowledge. Any information that you provide is evaluated on the basis of its currency, seriousness, relevance to the position and duties, and consistency with all other information about you. Withholding, misrepresenting, or falsifying information may affect your eligibility for a public trust position, or your ability to obtain or retain Federal or contract employment. In addition, withholding, misrepresenting, or falsifying information may affect your eligibility for physical and logical access to federally controlled facilities or information systems. Withholding, misrepresenting, or falsifying information may also negatively affect your employment prospects and job status, and the potential consequences include, but are not limited to, removal, debarment from Federal service, or prosecution.

This form is a permanent document that may be used as the basis for future investigations, suitability or fitness for Federal employment, fitness for contract employment, or eligibility for physical and logical access to federally controlled facilities or information systems. Your responses to this form may be compared with your responses to previous SF 85P questionnaires.

The investigation conducted on the basis of information provided on this form may be selected for studies and analyses in support of evaluating and improving the effectiveness and efficiency of the investigative and adjudicative methodologies. All study results released to the general public will delete personal identifiers such as name, social security number, and date and place of birth.

Authority to Request this Information

Depending upon the purpose of your investigation, the U.S. Government is authorized to ask for this information under Executive Orders, 13764, 10577, 13467, and 13488; sections 3301, 3302, 7301, and 9101 of title 5, United States Code (U.S.C.); parts 2, 5, 731, and 736 of title 5, Code of Federal Regulations (CFR), and Federal information processing standards.

Your Social Security Number (SSN) is needed to identify records unique to you. Although disclosure of your SSN is not mandatory, failure to disclose your SSN may prevent or delay the processing of your background investigation. The authority for soliciting and verifying your SSN is Executive Order 9397, as amended by EO 13478.

Your spouse's SSN is needed solely to allow the investigative service provider to make inquiries regarding whether there is relevant conduct on your part as a result of your relationship with your spouse. Your spouse is not subject of the investigation.

The Investigative Process

Background investigations for public trust positions are conducted to gather information to determine whether you are reliable, trustworthy, of good conduct and character, and loyal to the U.S. The information that you provide on this form and your Declaration for Federal Employment (OF 306) may be confirmed during the investigation. The investigation may extend beyond the time covered by this form, when necessary to resolve issues. Your current employer may be contacted as part of the investigation, although you may have previously indicated on applications or other forms that you do not want your current employer to be contacted. If you have a security freeze on your consumer or credit report file, then we may not be able to complete your investigation, which can adversely affect your eligibility for a public trust position or your ability to obtain Federal or contract employment. To avoid such delays, you must request that the consumer reporting agencies lift the freeze in these instances.

In addition to the questions on this form, inquiry also is made about your adherence to security requirements your honesty and integrity, falsification, misrepresentation, and any other behavior, activities, or associations that tend to demonstrate a person is not reliable, trustworthy, or loyal.

After a suitability /fitness determination is made, you may also be subject to continuous vetting which may include periodic reinvestigations to ensure your continuing suitability for employment.

Your Personal Interview

Some investigations will include an interview with you as a routine part of the investigative process. The investigator may ask you to explain your answers to any question on this form. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often assists in completing your investigation. It is imperative that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation, and declining to be interviewed may result in your investigation being delayed or canceled.

For the interview, you will be required to provide photo identification, such as a valid state driver's license. You may be required to provide other documents to verify your identity, as instructed by your investigator. These documents may include certification of any legal name change, Social Security card, passport, and/or your birth certificate. You may also be asked to provide documents regarding information that you provide on this form, or about other matters requiring specific attention. These matters include (a) alien registration or naturalization documents; (b) delinquent loans or taxes, bankruptcies, judgments, liens, or other financial obligations; (c) agreements involving child custody or support, alimony, or property settlements; (d) arrests, convictions, probation, and/or parole; or (e) other matters described in court records.

If you answered "Yes" to Section 5 of the Standard Form 85P with the supplemental SF 85P-S, carefully read this authorization to release information about you, then sign and date.

This is an authorization for the investigator to ask your health practitioner (s) the questions below concerning your mental health consultations. The U.S. government recognizes the critical importance of mental health and advocates proactive management of mental health conditions to support the wellness and recovery of Federal employees and others. The government recognizes that mental health counseling and treatment may provide important support for those who have experienced traumatic events, as well as for those with other mental health conditions. Your signature will allow the practitioner (s) to answer only those questions identified below.
