EAPR FAQs

Will my income documents be returned to me?

We're not able to return your original documents, so please send COPIES of any income/benefit documentation with your application.

Once a completed and signed application with income documents are received by SMUD how long will it take to be processed?

A completed application package is usually processed within 2 – 4 weeks of being received. After you've been enrolled, the Energy Assistance Program Discount will be printed as a line item on your SMUD bill each month.

If I have more than one account in my name, can I have the EAPR discount on all of them?

No, the discount is only applied to your primary residence.

How long will I receive the discounted rate?

We typically ask customers to re-apply every 1 to 2 years. When it's time to re-apply, we'll mail a request to you, and the letter will explain all requirements.

What should I do if I no longer qualify for the discount?

If your income or circumstances change, and you no longer qualify, please give us a call at 1-888-742-7683 to update your account.
