Explanatory notes for Skills Assessment

For managers, professionals, technicians, community, personal service, clerical, administrative and sales workers

You must read these **Explanatory Notes** before you complete the application form.

VETASSESS undertakes Skills Assessments for a broad range of occupations that appear on Australia's Skilled Occupations Lists for the:

- General Skilled Migration Program (GSM) – Points based visas
- Employer Nomination Scheme (ENS) or Regional Sponsored Migration Scheme (RSMS) or Temporary Work (Skilled) visa (subclass 457)
- Temporary Graduate visa (subclass 485).

If you want to migrate to Australia under the GSM, ENS, RSMS or a 457 visa, or to stay on in Australia on a 485 visa after completion of your study, and nominate a general professional occupation, you need a Skills Assessment from VETASSESS before you submit your migration application to the Department of Immigration and Border Protection (DIBP). The Skills Assessment is based on the information and documentation you provide, as well as research undertaken by VETASSESS staff.

To find out more about applying for a Skills Assessment, or to apply online, visit www.vetassess.com.au

The Skills Assessment for the GSM, ENS, RSMS or a 457 visa is an assessment of your qualifications and employment. Applicants need a qualification which is assessed at the required educational level, in a highly relevant field to the nominated occupation. In addition to this, at least one year of employment within the last five years is required, in a field which is highly relevant and at an appropriate skill level to your nominated occupation. For some occupations, either one or two years of additional employment is required if the qualification(s) has a shortfall in content relevance.

Please see our website at www.vetassess.com.au for our list of occupations and assessment criteria. The occupations are grouped according to differences in educational and/or employment criteria. It is an applicant's responsibility to ensure that the selected occupation is available for the intended visa category.

Note: The Qualifications Assessment to support an application for a Temporary Graduate visa (subclass 485) does not require an assessment of employment. It is a qualifications only assessment. It will clearly indicate that it is for a 485 visa application. See www.immi.gov.au/skilled/general-skilled-migration/485/. The qualification(s)

will need to be in a highly relevant field to the nominated occupation and to be assessed at the required educational level. After receiving a Qualifications Assessment for 485 visa purposes, applicants may gain sufficient relevant employment experience to apply to VETASSESS for a full Skills Assessment (qualifications and employment) to support an application to migrate for permanent residency. If the nominated occupation is the same, VETASSESS will only need to assess evidence of relevant employment to complete the Skills Assessment. See our website for more details.

Missing documents

If you do not have your original documents, try to obtain the required documents from the relevant educational institution, authority or employer organisation. Most educational institutions, authorities and employer organisations keep relevant records and will reissue these documents if requested. In some circumstances, VETASSESS will accept a statutory declaration or other sworn affidavit in place of the required documents but assessment cannot be issued on the basis of statutory declarations only. If you cannot obtain the required documents, contact VETASSESS for advice.

Your assessment will not begin until all your documentation is received. If missing documents are not received within four months of receipt of a letter from VETASSESS requesting documentation, your application will expire. You must then submit a new application and pay another application fee.

Certification

All documents must be certified as a true copy of the original by a person who is authorised to certify documents in your country of residence. In many countries people such as lawyers, Justices of the Peace and Public Notaries (among others) are authorised to certify documents.

Each copy of the document must be certified separately and must show clearly:

- the words 'certified true copy of the original'
- the original signature of the certifying officer
- the name and address or provider/ registration number (where appropriate) of the certifying officer legibly printed below the signature so that VETASSESS can contact the certifying officer if necessary.

VETASSESS does not accept:

- photocopies of certified copies
- certification by a company rather than the individual within the company who is authorised to certify documents
- certification where the identity of the certifying officer is unclear or the certifier's contact details are illegible.

You may choose to appoint an agent or another person to help you to lodge an application.

NOTES TO QUESTIONS

1. Your nominated occupation

This section deals with your nominated occupation and reason for assessment.

Choose your occupation carefully. Make sure that you read the description of this occupation thoroughly and that you meet all requirements.

- 1.1 This is the title of the occupation that you nominate from the Skilled Occupation Lists on the Department of Immigration and Border Protection (DIBP) website at www.immi.gov.au

We will only assess occupations if VETASSESS is listed as the relevant assessing authority on DIBP's Skilled Occupations Lists. Nominate one occupation only on this form. If you wish to nominate more than one occupation, you must complete a separate application form and pay an additional fee for each.

Useful sites to find out more about occupations are:

- Australian Skills Recognition Information (ASRI) at www.immi.gov.au
- Australian and New Zealand Standard Classification of Occupations (ANZSCO) at www.abs.gov.au

As occupations listed on these websites are also used for purposes other than migration, some information such as information about employment, registration and licensing, may not be relevant to a VETASSESS Skills Assessment.

- 1.2 Each occupation on the Skilled Occupations Lists has an ANZSCO code. You will find the ANZSCO code for your occupation on the SOL on the DIBP website at www.immi.gov.au

- 1.3 Cross one of the visa types - General Skilled Migration (GSM), Employer Nomination Scheme (ENS), RSMS, Temporary Work (Skilled) visa (subclass 457) or Temporary Graduate visa (subclass 485).

- 1.4 Cross whether you require an Advisory Letter to give to DIBP for Points Test purposes. GSM applicants, including those applying for state or territory sponsorship, may apply to DIBP for points towards the Points Test. DIBP has authorised VETASSESS to provide an opinion on qualifications and/or employment for DIBP's consideration of a claim for points for these items in the GSM Points Test. VETASSESS will assess their highest qualification up to postgraduate doctoral degree level unless the applicant requests another qualification to be assessed for points test purposes. In some cases VETASSESS will need to consider two or more qualifications to determine whether together they are comparable to the educational level of a qualification on the Australian Qualification Framework.

For Points Test purposes, VETASSESS will consider any Australian or overseas employment undertaken during the

last 10 years to provide an opinion on whether it is closely related to the nominated occupation. See Section 7 for a definition of closely related employment for Points Test purposes. Please visit the DIBP website for further information about the Points Test.

VETASSESS does not provide advice on which migration scheme or visa category is suitable for you. Please refer to the Department of Immigration and Border Protection (DIBP) for information about migration issues (www.immi.gov.au).

2. Your personal details

This section asks for all your personal and contact details.

Complete this section carefully and make sure you provide all required information. If you are nominating an agent, their details are to be entered at **Section 3**.

3. Authorising an agent

*Complete this section if you wish to appoint an agent to communicate with VETASSESS on your behalf. Please note that all correspondence will be sent to your agent. Go to **Section 4** if you do not wish to appoint an agent.*

Fill this area in if you know the name of the person who will be your agent for your application for a VETASSESS Skills Assessment. If you do not know the agent's name, the company name will be sufficient. To operate legally in Australia, a migration agent must be registered with the Migration Agents Registration Authority (MARA) and must have a MARA number. Your agent will be able to supply you with this number. To find out more about migration agents, visit www.themara.com.au

Agents or representatives should also sign the declaration at **Section 11**.

VETASSESS will assess the most relevant qualifications, which are at the required educational level for your nominated occupation. More than one qualification may appear on your final assessment letter. If you hold both Australian and overseas qualifications, provide details of both and VETASSESS will assess as required.

For Points Test purposes, VETASSESS will assess the qualification with the highest educational level in Australian terms, unless you request otherwise. Please also list any underpinning qualifications (including the entry qualification to the program leading to the qualification you want assessed).

6. Verification of Chinese qualifications

This section is for applicants for assessment of qualifications awarded in the People's Republic of China. Go to **Section 7** if you do not require assessment of qualifications from China. For Bachelor or higher degrees, you need to have the following three documents verified:

- the Certificate of Graduation; and
- the Academic Transcript or Examination Results

If you have been awarded credit on the basis of previous studies, the documentation from these studies will also need to be verified.

Both Chinese and English versions of transcripts will be verified and included in the Verification Report. Before submitting transcripts to VETASSESS, please check them to ensure that they are officially issued and all subject names, scores and credits of the English version match the original Chinese one. Inconsistent information in the documents may cause considerable delay or a negative verification result.

Required document checklist for verification of Chinese qualifications

- Copy of original Degree Award certificate and Certificate of Graduation (if applicable) and its English translation Copy of Academic Transcripts – official documents in both Chinese and English, issued and endorsed by the central student administration or archiving office of the awarding body or the attending institution. For Self-Taught programs, they must be officially issued and endorsed by the relevant Self-Taught Examinations Committee.
- Any unofficially issued documents or Graduation Registration Records may be not acceptable and/or be verified as 'non-genuine' official documents. Ensure the information (e.g. subject name, scores and credits) in the English version matches the Chinese version, as both will be verified. Inconsistent information in Chinese and English versions may cause considerable delay or lead to a negative verification and assessment result.
- If you were awarded qualifications during army service by an army institution, you must provide additional documents for verification (contact VETASSESS for further information)

- If your correspondence address is in China, four completed self-adhesive name and address labels in Chinese characters

7. Your employment

This section is about your employment completed anytime in the five years up to the date of lodgement of your application to VETASSESS for a Skills Assessment. If you also require your employment considered for Points Test purposes, you may include employment completed anytime in the past ten years. Go to Section 9 if you are applying for a Qualifications Assessment for 485 visa purposes.

For the Skills Assessment, only paid employment within the last five years which is highly relevant to the nominated occupation and at an appropriate skill level for your nominated occupation will be considered. You may describe other employment in your CV/résumé.

VETASSESS defines highly relevant employment to the nominated occupation as paid employment of at least 40 hours per fortnight in which the major everyday tasks closely match the major tasks undertaken in the nominated occupation in Australia and

are performed at an appropriate skill level for the nominated occupation in Australia. The employment must also match the lead statement in the Australian and New Zealand Standard Classification of Occupations (ANZSCO) for the nominated occupation.

For the optional Points Test advice to DIBP about employment within the last ten years, VETASSESS applies DIBP's definition of "closely related employment" to the nominated occupation. DIBP defines closely related employment as paid employment of at least 40 hours per fortnight in an occupation which has the same skill level and draws on a similar skill set and subject matter as the nominated occupation. Usually closely related employment is in an occupation which is in the same Unit Group of ANZSCO as the nominated occupation.

Please refer to our website if you have pre-qualification employment.

If you have worked in more than three positions, please provide details of any additional employment in the same format on a separate piece of paper. Sign and date the paper and attach it to your application form.

In calculating years of paid employment, VETASSESS will count employment of at least 40 hours per fortnight. Do not include weeks of less than 40 hours per fortnight even if the average hours of your employment was 40 hours per fortnight or more.

Please list all positions which are relevant to your nominated occupation. List your most recent employment first.

- 7.1 Write the business name of the employer for whom you work(ed).
- 7.2 Write the former or other names that the business is known by.
- 7.3 Write the complete street address of your employer, including the street name, number, suburb or town, state or territory, postcode and the country.
