## 16. Tobacco Usage

If you are eligible for the Healthy Indiana Plan (HIP) and you are a tobacco-user, you may have an increased POWER Account contribution in your second year of coverage.

Have you used tobacco four (4) or more times per week in the last six (6) months? (*The definition of tobacco includes: chewing tobacco, cigarettes, cigars, pipes, hookah, and snuff. It does not include the use of nicotine delivery devices.*)

Yes (If you do not stop using tobacco within the next twelve (12) months you will be assessed a 50% surcharge to your POWER Account contribution. Contact your health plan for help in quitting tobacco)

No (FSSA reserves the right to audit claims in order to identify member tobacco use)

### **17. Health Plan Selection:** (*Please answer this question if anyone is applying for health coverage.*)

We will check your eligibility for all our health coverage categories, if you are eligible for Hoosier Healthwise, the Children's Health Insurance Plan, or the Healthy Indiana Plan (HIP) you will be enrolled in one of our health plans. You do not have to make a selection at this time. If you do not make a plan selection, a plan will be auto-assigned for you based on your prior participation or family member assignment. For Hoosier Healthwise and CHIP, after you have been enrolled in a plan, you will have ninety (90) days to change plans for any reason. After the ninety (90) day period, you can only change plans for reasons that meet the standards for just cause. For HIP, you will be able to change your health plan before you pay your first POWER account contribution for HIP Plus or up to the point when you become enrolled into HIP Basic. In HIP, health plan changes after this period require that you have reasons to meet the standards for just cause.

If you have made your selection, please mark the box next to your chosen plan.
