I. U.S. LAW ENFORCEMENT SUBPOENAS, COURT ORDERS, AND SEARCH WARRANTS

A. Service and Processing of Subpoenas

Subpoenas, court orders, and search warrants (collectively referred to below as “subpoena” or “subpoenas”) from federal, state and local law enforcement agencies in the United States requesting records relating to money transfers or money orders must name “Western Union Financial Services, Inc.” and may be served by emailing a signed PDF copy of the subpoena to subicw@westernunion.com OR by mailing them to:

Western Union Financial Services, Inc.
Attn: Custodian of Records
12500 E. Belford Avenue, M21A2
Englewood, CO 80112

Western Union does not accept service of subpoenas by facsimile.

Upon receipt of a subpoena, Western Union will send an acknowledgement letter, via facsimile or email, advising receipt of the subpoena and providing an assigned Western Union Subpoena File Number.

All subpoenas must be accompanied by the full name, title, mailing address, e-mail address, phone number and facsimile number of the person and/or entity issuing the subpoena and the full name, title, mailing address, e-mail address, phone number and facsimile number of the person to whom documents should be sent. Without this information, Western Union is unable to process subpoenas.

Please note, Western Union will not send subpoena responses to any web-based e-mail addresses such as hotmail, yahoo or gmail.

B. Requests for Money Transfer Records

Western Union's money transfer services include consumer to consumer services and consumer to business services. Such services are offered at agent locations, by telephone and through the Internet. Western Union maintains electronic transaction records that are generally produced to law enforcement on a password-protected Excel spreadsheet.

If a subpoena requests money transfer records for specific individual(s), Western Union will search the exact name(s) provided in the subpoena. Western Union will not search any variations of the specified name(s). Also, unless otherwise specified in the subpoena, Western Union's response will be limited to a search of Western Union branded money transfer transactions.

C. Money Order Records

Law enforcement agencies requesting copies of money orders generally must provide the 11-digit money order numbers in order for Western Union to be able to retrieve them.

II. RESPONSE TIME/OBJECTIONS FOR U.S. LAW ENFORCEMENT SUBPOENAS

Western Union typically fulfills subpoenas within 30 days after receipt, however, response times may vary depending upon the scope of the subpoena and the types of records requested.

Further, Western Union reserves the right to object to subpoenas that are overbroad, burdensome, vague or implicate privacy, privilege or other legal concerns.
