

APPLICATION FOR WORKERS' COMPENSATION INSURANCE COVERAGE

PLEASE READ

It is mandatory under the Pennsylvania Workers' Compensation and Occupational Disease Acts that an employer carry workers' compensation insurance. Failure to comply with these laws subjects employers to lawsuits by employees and criminal prosecution. Such prosecutions could result in substantial fines, imprisonment or both. In addition, based upon the Workers' Compensation Act, the carrier must have an insurable interest to write a workers' compensation policy; having no employees constitutes no insurable interest. State Workers' Insurance Fund (SWIF) is prohibited from issuing a policy on an "if any" basis.

COMPLETE AND SIGN THE APPLICATION

Submit the application by mail to State Workers' Insurance Fund, 100 Lackawanna Avenue, PO Box 5100, Scranton, PA 18505-5100.

Should you have any questions about the application or coverage, you may contact Customer Service at 570-963-4635.

For policies less than \$2,000 in premium, total payment is required. For policies greater than \$2,000 in premium, SWIF requires a payment of 25 percent of the premium OR the minimum premium, whichever is greater, including the Employer's Assessment Fee, Terrorism Fee and Commercial Catastrophe Fee. Under certain circumstances, at SWIF's discretion, total premium may be required before coverage will be incepted. (see "Instructions" www.dli.pa.gov/swif select Underwriting)

Please make checks (black or blue ink only) and money orders payable to "SWIF." When you provide a check as payment, you authorize SWIF either to use information from your check to make a one-time electronic fund transfer (EFT) from your account or to process the payment as a check transaction. Note: SWIF does not accept cash payments.

SWIF does not offer waiver of subrogation endorsements.

If you are a sole proprietor, partners of a partnership or members of an LLC, complete the Voluntary Election of Coverage form POL115A/51A indicating your choice to accept or decline coverage.

If you are a corporate officer and/or owner choosing to waive your rights, complete and submit the signed officer exception forms LIBC-509 & LIBC-513.

All required forms and resources may be found either on the SWIF website www.dli.pa.gov/swif or as specified in this application.

Any party who willfully makes a false statement or representation, deliberately conceals any material fact, or engages in any other fraudulent scheme or device, for the purpose of obtaining or attempting to obtain, or for the purpose of aiding or abetting any person to obtain insurance in the State Workers' Insurance Fund (SWIF) at less than the proper rate for such insurance, or payment out of SWIF to which such person is not entitled, is guilty of a crime. Providing false information on this application or engaging in fraud can lead to the applicant being disbarred from being awarded a contract with the commonwealth for as long as three years, and may further lead to disbarment with local governments in the commonwealth.

- a. Coverage will become effective at 12:01 a.m. on the day specified on the workers' compensation policy issued by SWIF. In order for an application to be deemed acceptable for review and coverage, SWIF must receive a complete and properly signed application and the specified premium due.
- b. The application, including any subcontractor information elicited in Item 12 of the application, must be properly and fully completed and signed by an owner, or partner, or a corporate officer. The Construction Workplace Misclassification Act (Act 72) further established a definition of an "Independent Contractor" for purposes of Workers' Compensation as of February 10, 2011 and information regarding such can be found at **www.dli.pa.gov/swif**
- c. The premium quoted is based upon the nature of the operations and the estimated payroll disclosed by the employer in this application. The employer shall furnish SWIF with proper notice of any changes in the nature of its operations or its estimated payroll; such changes may result in an increase or decrease in the premium due under this policy. The employer agrees to keep an accurate record of employees and payroll expenditures, and to report injuries and occupational diseases to the State Workers' Insurance Fund immediately.
- d. SWIF requires the disclosure of accurate and legitimate payroll records. Such payroll records must include, but are not limited to, a list of each employee's Social Security number or I-9 forms. The determination of proper premium payments is dependent upon the accuracy of such records. Any failure to provide accurate and legitimate payroll records, at any time, will be considered a material breach entitling SWIF to either rescind the contract to insure, refuse to insure, or cancel the policy.
- e. The State Workers' Insurance Fund may conduct underwriting visits and/or audits during regular business hours during the policy period and within three (3) years after the policy ends. Information developed by the underwriting visit or audit will be used to determine the estimated or final premium. If it is determined that additional premium is due, you will be billed accordingly.
- f. When any claim for a temporary worker occurs at a client/Alternate Employer's location of which SWIF has not been previously notified, the claim will be denied.
- g. Employees hired in and working in another state cannot be covered by the Pennsylvania State Workers' Insurance Fund.
