

USAA Power of Attorney

Important Information. Please Read.

General. This USAA POWER OF ATTORNEY is intended to be used by you, to permit another person to conduct most transactions on personal USAA accounts that you, as Grantor, could conduct yourself. For example, you may want your agent (or "attorney-in-fact") to have access to your bank and/or investment accounts, control over a life insurance policy you own or to take care of your auto and property transactions on your behalf. It provides your attorney-in-fact access to all of your business with USAA and allows USAA and its affiliated companies to treat the signature of your Attorney-in-fact as though it were your signature. For this reason, it is important that you designate a trusted family member or friend as your attorney-in-fact under this document. **The use of this form is limited to USAA business only** and would not be considered a general power of attorney. This USAA POWER OF ATTORNEY form will be accepted by all USAA companies for most business transactions with USAA companies. You may check the specific box for each line of business to authorize your attorney-in-fact to transact business with USAA applicable to the designated line of business.

Other Powers of Attorneys. If you have a military power of attorney (acceptable to USAA in most cases) or a power of attorney already on file at USAA, you may want to review it with your attorney to be sure it covers your business needs and is still in effect.

Cautionary Note: Carefully read any power of attorney form before you sign it. Be sure to consult your attorney regarding its purpose and the legal rights that are affected by the grant of such power to another person. Your particular circumstances may indicate the need for granting either broader or more restrictive rights than are provided for in this form. **This USAA POWER OF ATTORNEY is durable and is therefore valid and effective if you subsequently become disabled or incompetent.** In the event of your death, this USAA POWER OF ATTORNEY will terminate.

LIMITATIONS ON THE USE OF THIS FORM INCLUDE:

- **Checkwriting Privileges.** If checkwriting privileges are needed on accounts with USAA Federal Savings Bank and on mutual fund accounts with USAA Investment Management Company ("IMCO"), separate signature cards (if applicable) will be sent to the person to whom you have granted limited powers to your account(s).
- **Authority over Other Accounts.** For business accounts, trust accounts, estate accounts, guardianship or conservatorship accounts, UGMA or UTMA accounts, qualified tuition (529) plan accounts, Coverdell Education Savings Accounts or similar accounts, other documents and applicable laws may limit your ability to grant this authority to another person. In such instances you should consult with an attorney as to the scope of your ability to grant such authority.
- **Electronic Services Agreement.** IMCO's Information Provider Agreements require an Electronic Services Agreement to be signed by the member to obtain access to accounts on usaa.com. Agents (such as the Attorney-in-Fact) are not authorized to sign such Electronic Services Agreement for the member.

- **Stock transfers/Real Estate Transactions.** Stock transfer agents for brokerage or mutual fund accounts may require a separate designation for your agent to execute a stock power before allowing him or her to trade. USAA may request a separate power of attorney form for real estate transactions.
- **Options and Margin Trading Privileges.** In order for your agent to trade on margin or options in your IMCO brokerage account, your agent, must complete a USAA Option Account Application and/or Margin Account Privileges Supplemental Application and the Durable Power of Attorney Affidavit and Indemnification form, as applicable, and must be approved for options and/or margins trading.
