➡ If you purchase a business, have the seller provide you with a letter from the Tax Commission stating no sales and use tax is due, or withhold enough of the purchase money to pay all taxes. You will be held personally liable for the seller's unpaid sales and use tax, including all sales-related taxes, if neither of these conditions is met (Utah Code §59-12-112).

Sales, withholding and fuel tax licenses are conditional. Fuel tax bonds may be combined into one bond, and the amount will be the sum of the required amounts for each fuel tax type.
