

## Authorization for Release of Medical Information: Billing & Fees

Vanderbilt University Medical Center  
Medical Information Services • 4560 Trousdale Drive, Suite 101, Nashville, TN 37204

Vanderbilt University Medical Center contracts with HealthPort to process requests for copies of medical records. The release of patient medical information is governed under federal and state laws.

### To release your medical information from Vanderbilt University Medical Center, you must:

- Complete all sections of the Authorization for Release of Medical Information form.
- Hand-deliver, mail, or fax a signed request in writing to VUMC, Attn: Release of Information.
- If you are under the age of 18, your parent or legal guardian must sign as well.

### What we will provide to the patient at no cost (For patient Walk-in requests only).

At no cost to you, we will provide up to 50 pages of the medical records that are relevant to your care. This is called an **abstract**. If you want additional records, you will need to specify which ones on Page 1.

### What is an abstract?

An abstract contains only the medical records needed by you and your providers to continue your care after discharge. This is what is released unless you ask for your **legal medical record**. (The abstract usually includes: Discharge Summary, History & Physical, Lab, Pathology, Operative Reports, Procedure Notes, Radiology Reports, Problem List and Medications).

### What is a legal medical record?

In addition to what is in the abstract, your legal medical record has all the information needed to identify you, support your diagnosis, justify your treatment, and document your care and results.

### What we will provide for a reasonable fee

If you want your records sent to someone other than your doctor or for your own personal use, you must complete and sign an authorization. Also, you or the person receiving the records must agree to pay the fees. Here are the fees, based on Tennessee Code Annotated 68-11-304(a)(2):

<b>\$0.85 per page for 1 to 50 page.</b>	<b>\$0.35 per page for over 250 pages</b>
<b>\$0.60 per page for 51 to 250 pages</b>	<b>\$0.50 per electronic photograph</b>
<b>Plus postage and any taxes that may apply</b>	

If you would like to know in advance if the fee will be more than a certain amount, indicate this here:

Let me know if the fee for my records will be more than \$\_\_\_\_\_.

I understand that there may be fees for copying my medical records. By signing below, I agree to pay these fees when I am billed for them by HealthPort.
