December 2011

The information contained in this sample application changes frequently. For the most up-to-date information please visit our web-site at
www.usarec.army.mil/hq/warrant

STEPS FOR PREPARING A WARRANT OFFICER APPLICATION

Step 1: Visit the Warrant Officer (WO) recruiting web site at: <http://www.usarec.army.mil/hq/warrant>. Start with the "Program Overview" and follow the instructions to download the forms for use with PureEdge or Adobe Acrobat software.

Step 2: Review Army Regulation 135-100 and Department of the Army Pamphlet 601-6. (All Army publications mentioned throughout this guide are located on the warrant officer recruiting website at <http://www.usarec.army.mil/hq/warrant>).

Step 3: Verify that you meet the following Administrative requirements:

- (a) US citizenship
- (b) General Technical (GT) score of 110 or higher (DoD service applicants must convert their GT scores - see web site)
- (c) Be a high school graduate or hold a GED
- (d) Secret security clearance (Interim secret is acceptable to apply - IAW AR 380-67 & AR 135-100)
- (e) Pass the standard 3-event Army Physical Fitness Test (APFT) and meet height/weight standards (IAW FM 21-20 & AR 600-9)
- (f) Pass the appointment physical for Technicians or the Class 1A flight physical for Aviators (IAW AR 40-501)
- (g) Minimum of 12 months or more remaining on current service contract as of board convene date

Step 4: Ensure you meet the **MINIMUM** prerequisites listed on our web site for your requested WO Military Occupational Specialty (WOMOS). If you do not, you must either wait until you meet all the prerequisites or request a prerequisite waiver. **Prerequisites for 153A - Aviator:** Open to any rank and MOS (after AIT completed), must be less than 33 years of age by the board convene date, score 90 or higher on the AFAST, and pass a Class 1 flight physical. **General prerequisites for all other WOMOSs:** SGT or higher, 4-6 years experience in the field for which applying (see web site), and be less than 46 years of age by the board convene date.

Step 5: It is recommended that you keep all original documents, including the physical, for reference. Packets can be submitted by Digital Sender or in PDF format as an e-mail attachment (see step 12). DA photos may be sent in PDF, TIF or JPG format; color photos present the best image of applicants. Deployed personnel may take a digital photo in duty uniform standing at the position of attention with a neutral background (no scenery, helmets or weapons).

Step 6: Take the completed packet to your Personnel Services Detachment (PSD), Military Personnel Division (MPD) or S-1 office for review. Have a NCO or OIC endorse your checklist stating you are not barred, flagged or pending UCMJ action. **Non-Army** personnel can skip this step and submit their application as indicated in step 12.

Step 7: Once at USAREC, the packet will be logged in to the computer, and then screened for completeness. You will be notified of any discrepancies by phone or email using the contact information in blocks 17 & 19 of your DA Form 61. (Ensure the email address on your DA Form 61 is an email that you check daily.) Verify your status online before calling/emailing recruiters.

Step 8: Technician packets are forwarded to their Branch WO proponent for technical evaluation. Aviator applications are evaluated at USAREC unless a waiver is required. Proponent-qualified applications are considered "board-ready" if no waivers are needed. The applicant will be notified if not qualified by the proponent or if waivers are disapproved. Please allow 4 - 6 weeks for processing of waivers.

Step 9: Applications requiring a moral waiver (if block 26 of the DA Form 61 is answered YES) are forwarded to Army Reserve Personnel Command (AR-PERSCOM), St Louis, MO by USAREC. Please allow 4 - 6 weeks for processing waivers.

Step 10: Applications requiring an Active Federal Service (AS) waiver* or an age waiver** are forwarded to the Deputy Chief of Staff for Personnel (DCSPER) at HQDA. Please allow 4 - 6 weeks for processing waivers. ***AFS Waiver** 12 or more years active service at the time the DA Form 61 is signed. ****Age Waiver** Aviator applicants who are 33 or older by the convene date of the board, or Technical WO MOS applicants who are 46 or older by the convene date of the board.

Step 11: Accession boards are held bimonthly at USAREC starting in November, but not all MOSs are considered at each board. The board vote results in one of the following designations: **Selected, Qualified - Select (Q-S)** (You have been selected and will attend WOCS in approximately 4 - 6 months) **Fully Qualified - Non-selected (FQ-NS)** (You have not been selected and will be considered by one more board automatically. It is highly recommended to make any updates that you feel will improve your packet at this time.)

Not Selected - Not Competitive (NS-NC) (You have not been selected by 2 consecutive boards, and are not considered competitive with the current packet provided). Applicants twice non-selected for the WO Program must wait a year to reapply. Applicants may reapply immediately with an approved wait period exception request - available on our website. Please see the web site for process to re-apply.

Step 12: Visit our web site at least monthly for new or updated information and for board results (normally published the week following a board). Packet submission deadlines are post on our website along with the board schedule. Packets should be sent via PDF e-mail attachment, 5mbs or less in size per e-mail. Number multiple e-mailings appropriately; 1 of 4, 2 of 4, etc. Send all documents to HQs, USAREC Board Branch as follows:

- a. Send **NEW Packets in PDF format to:** NewWarrantPackets@usarec.army.mil
- b. Send **UPDATES to packets already accepted and on file to:** NewWarrantUpdates@usarec.army.mil
- c. Send **CORRECTIONS for "R" status packets to:** NewWarrantCorrections@usarec.army.mil
- d. **ONLY deployed personnel may mail their packet to the address below however, electronic submission is preferred.**

Write in clear, concise, and complete sentences - not in fragments or bullets. List outstanding achievements and additional duties while in position. Spell out terms that apply to your assignment especially buzzwords in you MOS, e.g. Prescribed Load List (PLL). Avoid the use of jargon, slang, and other types of informal terms. Focus on measurements of success. NOT just a job description, but how well you performed the job. Use NCOER/evaluation bullets as a "reference only", not as the actual written entry for the resume. Mention if you exceeded standards on a significant inspection/evaluation or leadership school. List deployments or make a separate assignment entry if deployment for several months.

SECTION VI - MILITARY EDUCATION *(continued)*

(List up to 21 military courses and give a brief description focusing on the main learning objective.)

19.	DATES (YY/MM): <u>0501</u> to <u>0504</u>	COURSE: BNCOC, 75H Phase I & II, Ft Jackson, SC
DESCRIPTION: The resume is very important. It shows your ability to communicate in written form. Write at the 12th grade level and use a thesaurus to help with vocabulary. Use spelling and grammar checks because errors will disadvantage an application and reflect poorly on the applicant's ability to communicate and their attention to detail.		
20.	DATES (YY/MM): <u>0209</u> to <u>0210</u>	COURSE: Warrior Leader Course (WLC) Ft Knox, KY
DESCRIPTION: List GPA, accomplishments, and the most important aspects you've learned from training/military education. You may separate the various phases of BNCOC. Be sure to list your class standing, GPA, APFT score and any other outstanding measure of success you achieved while in school. Special skill courses such as airborne, air assault, pathfinder and the like are NOT necessary to list here; they should appear on your enlisted records brief (ERB). If not, then update your record to reflect accordingly. Correspondence course completions, not subcourses, may be listed here to show your technical acumen. It is advisable however, to only list course completions germane to the warrant specialty you desire to serve in.		
21.	DATES (YY/MM): <u>9801</u> to <u>0903</u>	COURSE: 75H Advanced Individual Training (AIT) Ft Jackson, SC
DESCRIPTION: Make all entries reader-friendly and avoid overuse of acronyms. Board members may be unfamiliar with your PMOS so use easily understood terms. Keep all descriptions short, concise, and to the point while focusing on the main learning objective of the course. Good luck!		

SECTION VII - SUMMARY

Write a paragraph or two explaining why you are fully qualified to perform the duties of a warrant officer in your field. This is a very important part of the resume. Make this a call to action, but do so without turning off the reader. Include all of your significant accomplishments/achievements (below-the-zone promotions, impact awards, noteworthy distinctions, deployments, challenging assignments, unique skills in MOS, standards exceeded on a significant inspection/evaluation, etc). mentioned earlier and explain how you are exceptionally qualified and have the leadership, management and technical/tactical skills needed to become a WO
Answer this question: What have you done or accomplished that sets you apart from your peers?
(Additionally, aviator applicants should include why they want to be an Aviator.)

RESUMES WILL NOT BE PROCESSED WITHOUT THE APPLICANT'S SIGNATURE & DATE.

SECTION II - NARRATIVE

(Write a narrative explaining the applicant's leadership qualities, character, experience, and special expertise that uniquely qualify him or her to serve as a future warrant officer.)

NARRATIVE:

- Letters should be should be 3 to 5 paragraphs with specific, quantifiable comments about the service members character and tactical and technical competence.
- You may use information from the service member's entire record, including comments about schools completed, assignments, deployments, impact awards, achievements and accomplishments.
- Generic flowery comments are not effective in communicating the service member's attributes to board members. If you can change the name of the person being recommended to someone else and the comments are not false, then the letter is probably too generic to communicate effectively to board members.

EXAMPLE WRITE-UP:

- It is my absolute privilege to recommend SGT Sample for entry into the Warrant Officer Procurement Program as a Human Resources Technician (420A). I have reviewed SGT Sample's credentials and found his records very worthy for warrant officer candidacy. As such, SGT Sample has earned my vote of confidence to compete for warrant officer selection.
- SGT Sample served with me during a year-long deployment to Balad, Iraq 2004. During this time, I personally observed and worked with SGT Sample on several personnel support issues. My observation of him is that of an industrious Senior Personnel Sergeant fully capable of performing his administrative duties. SGT Sample worked tirelessly processing personnel actions for 849th Transportation Battalion, Ft Bragg NC. Those actions included; Joint Personnel Status Reporting (JPERSTAT), Casualty Operations, ID Tags, Fighter Management Pass Program (FMPP), legal processing and administrative advisor to both the Battalion and Company Commander. Without question, SGT Sample superbly performed AG Wartime Functions in accordance with FM 12-6.
- SGT Sample possesses the qualities of a self-starter and a leader. His mastery of warrior tasks and drills led to his selection as NCO of the Quarter. Further, he mentored a subordinate to compete and win 1st TSC's Solider of the Year competition. SGT Sample completed BNCOC with a 97.4 GPA. He has received numerous valor and service awards for technical merit including the prestigious Bronzes Star. SGT Sample is active within the community and is not afraid to dialog regarding the issues of the day. He is a well-rounded, respected member of both the military and civilian community.
- In conclusion, SGT Sample has a rare blend of technical and tactical proficiency as evident by his outstanding military career. For this reason, I gladly recommend him for acceptance into the Warrant Officer Corps as a Human Resources Technician (420A)APPLICANT

MEMORANDUM FOR Commander, U.S. Army Recruiting Command, ATTN: RCRO-SPA, Fort Knox, KY
40121-2725

SUBJECT: Request for Prerequisite Waiver

Mitigating circumstances:

1. (State the type of waiver you are requesting)

Example: (1) Request an age waiver

(2) Request an Active Federal Service Waiver

(3) Request a prerequisite waiver (state the prerequisite(s) you wish to waive).

2. Anyone can request a prerequisite, AFS or age waiver, but not everyone will get them approved. Give a detailed explanation why you feel this waiver should be approved. Please note that waivers are approved only in unusual circumstances. Prerequisite waiver requests that do not give adequate justification, i.e. unusual skills, unique talents, special circumstances, etc. will probably be disapproved. With AFS waivers (required if you have 12 or more years AFS) or age waivers (required if you will be 33 or older for aviators or 46 for technicians, by the convene date of the board) the same principle applies and requests must be fully justified. Adequate justification might be: unusual circumstances, deployed for past year and unable to submit a packet, unusual skills, or unique talents. Asking for these waivers just because they are a part of the application will not result in approval.

Notes:

1). A separate waiver request must be submitted for each MOS that applicant does not meet the entire prerequisites for. Waiver should include why you feel that you should be accepted in the MOS without meeting all the requirements. Include any civilian experience, training or assignments that are similar to MOS you wish to apply for.

2). Make your request sound valid - for instance, an applicant stating they couldn't apply for the last 12 years because they were deployed... That doesn't sound valid because no one has been away from their duty station continuously over the last 12 years. You would need to include why you couldn't or didn't apply in between deployments. Another example is a 13 year request stating "I've been deployed for the last year..." does not explain why you didn't apply in the years leading up to the deployment.

3). Waiver request will not appear before the selection board once approved. Please use as much space as required to give all the information. A short and simple approach may result in a denied request.

4). Writing skills count. A properly written request ultimately may effect the approval of the request. Board members may interpret poor English, grammar and typographical errors as a lack of concern, sincerity or attention to detail from the applicant.

SUBJECT: Request for Moral Waiver

1. Nature of offense: Do not just list Article 92, Article 32, etc. Must request a moral waiver for any infractions listed on your enlistment contract.

a. Date of offense: (Month and year)

b. Place of offense: (City and State)

c. Punishment imposed: (Fine amount, forfeiture amount, extra duty, letter of reprimand, etc.)

2. Mitigating circumstances:

*You will use this moral waiver request if you responded YES to block#26 on DA Form 61. If you responded NO, you do not need a moral waiver.

Moral waiver is not required for traffic fines of \$250 or less. Do NOT include court cost).

Mitigating circumstances surrounding the charge: Four points to address:

- (1) Explain the incident (what, where, when, how, etc..)
- (2) Accepting responsibility for your actions
- (3) The lessons learned
- (4) How you now contribute to your unit, community and military service.

Notes:

- 1.) A separate moral waiver request must be submitted for each offense.
- 2.) Moral waiver request should give all the information possible related to the incident. Half answers and undisclosed information can cause a delay in processing. In some cases - the request will be returned to USAREC with a request for more information from applicant.
- 3.) This waiver request will not go before the selection board once approved. Please use as much space as required to give all the information. A short and simple approach may cause a returned request.
- 4.) Writing skills count. A properly written request may effect the approval of the request. HRC may interpret poor English, grammar and typographical errors as a lack of concern, sincerity or attention to detail from the applicant.
