

WOOD BADGE TICKET WORKBOOK

Purpose

The purpose of a Wood Badge Ticket is to help you realize your personal vision of your role in Scouting. Ideally, you will write your ticket around your primary job in Scouting.

Four parts of a ticket

A ticket consists of four parts:

- A list of your personal values
- A description of your Scouting role
- A statement of your vision of success
- A mission composed of five significant goals that can be attained within 18 months.

Realization of your vision

You should not expect that you will realize your vision immediately upon completion of the five goals; reaching your goals is an initial part of a long-term work in progress.

Use of Skills

It is assumed that you will use most or all of the skills you learned during the Wood Badge course. In writing your ticket it will help if you list the skills you can use to accomplish your goals. It is not required that you incorporate all of the skills presented during the course into your goals.

Diversity

At least one goal must address increasing diversity within the Boy Scouts of America.

SMART

You should make sure that your ticket goals are “SMART” (Specific, Measurable, Attainable, Relevant, and Timely)

Specific - Describe this Ticket Goal in enough detail so that you and your ticket counselor now specifically what is to be done; how it is important, or how it will have an impact on the program. Is it challenging?

Measurable - Describe how this Ticket Goal is Measurable. How will you know when the goal has been accomplished?

Attainable - Describe how this Ticket Goal is Attainable. Can it be accomplished?

Relevant – Describe how this Ticket Goal is Relevant. How does it relate to your Scouting job?

Timely - Describe how this Ticket Goal is Timely. Can it be accomplished in a reasonable amount of time? *“A Goal Without a Deadline is Only a Dream!”*

Defining your Ticket Goals

An effective way of defining your ticket goals is to use the Who, What, Where, When, and Why steps. By describing each step for each goal, you can be assured that you will have a well-defined ticket goal. Then, after you have completed your ticket goal, perform a self-assessment to evaluate your goals. This is a good time to review your goal with your troop guide or ticket counselor.

Who – Who is involved?

What – What, specifically, will you do to help realize your vision through this goal?

Where – Where will you work on the goal?

When – When will you work on the goal?

Why – Why is this goal important to realizing your vision?

How measured – How do you measure the completion of your goal?

How verified – How do you verify whether your goal helped to achieve your vision?
