## REGISTRATION TERMS

THE RETURN OF A WORK REGISTRATION CONFIRMATION STATEMENT INDICATES THAT THE WORK LISTED ON THE REVERSE SIDE HAS BEEN REGISTERED.

A writer submitting this form warrants and represents that (s)he is the writer or co-writer of the work to the extent indicated and that (s)he has not acquired his or her interest in such work by virtue of purchase or assignment from the writer or writers thereof.

Please note that in the event that a registered work is publisher or recorded with lyrics which we, in our sole judgement, regard as unsuitable for broadcast use or with musical or lyrical material which we, in our sole judgement, regard as an infringement, we reserve the right at anytime to exclude this work in its entirety from the provisions of our agreement and to withdraw the registration.

We bring to your attention that in the event a registration form submitted does not properly indicate in the space provided therefor that a work is based on public domain source, we reserve the right, if at any time such work is found to have a public domain source, to allocate to such work a percentage of the normal logging credit, or in the case of a work having little or no original material, to give no logging credit to such work.
