## Annual Report Instruction Sheet - READ ME! PLEASE FOLLOW THESE DIRECTIONS!

This is the instruction sheet for the annual reporting process for all corporations doing business in Arizona. Every corporation must submit an annual report once a year. This annual report must be correctly filled out and submitted by the assigned due date or the corporation may be administratively dissolved or have its authority revoked by the State of Arizona. According to A.R.S. §10-1622(F), penalties accrue on for-profit corporation annual reports that are submitted late (after the due date). Corporations must use the annual report form prescribed by the Corporation Commission. **No other format is allowed.** 

Please verify the business address, statutory agent, and agent address information on page one. Strike out incorrect information by placing a single line through it. Correct information should be legibly written above or to the side of struck, incorrect information. Complete the remainder of the form - use the corporation's original articles of incorporation, amendment documents and corporate minutes as guides for the questions about stock. IMPORTANT: The entirety of this document is public record, including addresses. \*Use black or blue ink.
