

Proprietary Security Officer Training Program

Instructions:

- Price:** Circle the courses you want to order, under the appropriate size for your company. This entitles you to unlimited licensed use of the module in print and electronic form for **one year from the date of your purchase**. You may NOT share this with other facilities without the express permission of CALSA SAGA.
- Annual Subscription:** After the first year, you must renew your license on an annual basis to continue to use the material for each module you purchased. Failure to pay the yearly subscription fee will mean your license to use the material is revoked, and you will be considered in breach of the copyright of CALSA SAGA's proprietary training material. Annual license fees are 25 percent of the original price paid and will include the continued right to use the material and automatic receipt of content upgrades to any modules you purchased and maintained your license.
- Module Total:** Total up your price for each module across that row.
- Sub Total:** Total up the order for all the modules you are ordering.
- CALSA SAGA Discount:** If you are a CALSA SAGA Proprietary Security Employer Company Member (PSE), deduct 25 percent from your sub-total.
- Grand Total:** Indicate your final total after all discounts.
