To assure the availability of trained personnel in Skilled Nursing (SNF) and Intermediate Care Facilities (ICF), the Legislature intends that all such facilities in California participate in approved training programs. All approved In-Service Training programs are specified to enhance the knowledge and skills, assure continuing competency, and address performance issues one may be experiencing as a CNA/HHA. CNAs are to receive the normal hourly wage for attending the In-Service on their regularly scheduled shift or during another shift. **Only CDPH-approved In-Service Training Programs and CDPH-approved CEU providers with a Nurse Assistant Certification Number (NAC#) are accepted.** CNAs and HHAs that are employed in a SNF, ICF, or Home Health Agency will submit the information below to ATCS for validation of the renewal requirements. CNAs or HHAs that obtain CEUs from CDPH-approved CEU providers must attach a copy of each individual CEU course certificate for renewal validation to this form.

- A) **CNAs:** Must obtain forty-eight (48) hours of In-Service Training/CEUs within the certification period. A minimum of twelve (12) of the forty-eight (48) hours shall be completed in each year of the two (2) year certification period. A maximum of twenty-four (24) of the forty-eight (48) hours may be obtained only through a CDPH-approved online computer training program listed on our website. Online CEU certificates must be attached to this form for validation. Please visit www.cdph.ca.gov for a complete listing of CDPH-approved classroom and online computer CEU providers. If the HHA Training Program (40-hour program) was completed during the certification period, twenty-six (26) of the forty (40-hour) training program may count towards CEUs.
- B) **HHAs:** Must obtain twenty-four (24) hours of In-Service Training/CEUs within the certification period. Twelve (12) of the twenty-four (24) hours are required in each year of the two (2) year certification period (HHAs may not use online CEUs to meet the requirement).
- C) **CNA & HHA:** Follow section A to renew both certificates.
- D) **Continuing Education:** CEUs must be taken with **CDPH-approved providers only with a NAC#**. These courses are designed to enhance the knowledge and skills of the CNA/HHA and enhance the skills in the employer-based healthcare settings.
- E) **Licensed Vocational Nurse / Registered Nurse / Licensed Psychiatric Technician programs:** CNA/HHA certificate holders will receive In-Service Training/CEUs for completion of these courses by converting the units into hours as follows: one (1) semester unit = fifteen (15) hours, one (1) quarter unit = ten (10) hours. **You must submit a copy of your school transcript to verify your enrollment.**
