

DECLARATION OF PATERNITY – NOTICE

CS 909 (12/08)

IMPORTANT NOTICE TO UNMARRIED PARENTS

If the parents of the child are not legally married, the father's name will not be added to the birth certificate unless you: (1) sign a Declaration of Paternity in the hospital or (2) sign the form later or (3) legally establish paternity through the courts and pay a fee to amend the birth certificate.

WHAT IS THE PURPOSE OF A DECLARATION OF PATERNITY?

A Declaration of Paternity form is used to legally establish the paternity (the father) of a child when the mother and father are not married to each other. **It should be signed by the biological mother only if she is not married.** It may be signed by the biological father regardless of his marital status. **Signing this form is voluntary. If any part of this form does not make sense to you, talk to your Local Child Support Agency or a lawyer before signing the form.**

HOW WILL YOU AND YOUR CHILD BENEFIT IF YOU SIGN THIS FORM?

When both parents sign this form it will:

- Legally establish a parent-child relationship between the biological father and the child. Your child has the right to know his or her mother and father and to benefit from a relationship with both parents.
- Allow the father's name to be added to the birth certificate. Your child will benefit by having both of your names appear on his or her birth certificate. If the form is signed after the child's birth certificate is prepared, there will be a fee to amend the birth certificate to add the father's name.
- Legally establish the man as the child's father without going to court. This will give the father parental rights such as the right to seek child custody and visitation through a court action and to be consulted about the adoption of the child.
- Make it easier for your child to learn the medical histories of both parents, to benefit from the father's health care coverage, and to receive Social Security or Veterans' dependent or survivor's benefits, if eligible.

WHAT DOES IT MEAN IF YOU SIGN A DECLARATION OF PATERNITY?

- A correctly completed and signed Declaration of Paternity filed with the California Department of Child Support Services will have the same effect as a court order establishing paternity for the child. If your child does not live with you and a court action is filed, you may be ordered by the court to pay child support. A court action must be filed to deal with the issues of custody, visitation or child support.
- By signing this declaration, you are, by your choice, giving up all of the following rights, as they relate to paternity establishment: the right to a trial in court to decide the issue of paternity; to notice of any hearing on the issue of paternity; to have the opportunity to present your case to the court, including the right to present and cross examine witnesses; to have an attorney represent you; or to have an attorney appointed to represent you if you cannot afford one in an action filed by the Local Child Support Agency.
- A Declaration of Paternity may be challenged in court only in the first two years after the child's birth by using blood and genetic tests that prove the man is not the biological father. It also may be overturned if the father or mother is able to prove that he/she signed the form because of fraud, duress, or material mistake of fact.
- If either or both of you are under the age of eighteen, a Declaration of Paternity will not establish paternity until sixty days after both of you are age eighteen or are legally emancipated. If you wish to legally establish paternity before both of you become adults, you should consult an attorney.

IF YOU CHANGE YOUR MIND AFTER YOU SIGN A DECLARATION OF PATERNITY

- If either of you later change your mind after you sign this form, you must complete a Declaration of Paternity Rescission Form (CS 915) to cancel or rescind the Declaration of Paternity. You must file the rescission form with the California Department of Child Support Services within 60 days from the date you signed the Declaration of Paternity. If you signed the Declaration of Paternity when you were under the age of 18 years old, you must file the rescission form within 60 days after you reach the age of 18 years old. You can get a rescission form from your local child support agency, local registrar of births and deaths, family law facilitator's office or retrieve it from the DCSS POP website at <http://www.childsup.cahwnet.gov/program/pop>.
