# - INSTRUCTIONS -

This Award Certification will be used for all awards for individuals or teams, when required. In the "Justification" section on page 2, provide a brief summary of the accomplishment being recognized by the award, using specific examples. For Honor Awards, the citation is the award justification. The amount of the award should be commensurate with the value of the individual or team accomplishment, considering the overall benefit to the government. Complete the "Financial Action Record" section on page 2, for each recipient of monetary awards and non-monetary recognition of significant value. A copy of the Financial Action Record must be faxed to the Payroll Operations Division to update the employee's pay record. A "Notification of Personnel Action" (SF-50) must be generated for all monetary, time off, and Quality Step Increase awards. For more detailed information, refer to the Awards and Recognition Program, Departmental Human Resources Management Handbook.

#### On-the-Spot Awards

On-the-Spot Awards have a net value between \$50 and \$500. The amount given to the recipient (net amount) must be increased to cover the applicable withholdings (gross amount). Complete the Financial Action Record indicating whether payment is to be made through Imprest Fund or Payroll System. Divide the net amount by .55 to calculate the gross amount of the award. The following table calculates the gross amount in \$50 increments, however, net amounts may range anywhere from \$50 to \$500:

NET AMOUNT	GROSS AMOUNT	NET AMOUNT	GROSS AMOUNT
\$50	\$91	\$300	\$546
\$100	\$182	\$350	\$637
\$150	\$273	\$400	\$728
\$200	\$364	\$450	\$819
\$250	\$455	\$500	\$910

#### **STAR Awards**

STAR Awards are cash awards in the gross amount of \$925 or more. In the Financial Action Record, complete the Monetary Award to be Paid Through the Payroll System section, inserting the gross amount of the award. All STAR awards are to be paid through the payroll system. For team awards, an Awards Certification must be completed for each team member. If members are to receive different award amounts, the justification must describe the individual team member's specific contribution(s).

# **Quality Step Increases**

An employee may receive only one Quality Step Increase in a 52 week period. In the "Justification" section, enter brief specific examples of how expectations were exceeded in achieving all Critical Results. Follow Bureau guidance to generate an SF-50.

# **Time Off Recognition**

The minimum time off recognition is 1 hour. There is no maximum time off recognition. A copy of the Award Certification must be forwarded to the employee's timekeeper for coding on the Time and Attendance Report.

# **Non-Monetary Recognition**

Use this Award Certification when the value of a non-monetary recognition is significant (\$26 to \$250). Recognition of nominal value does not require documentation. In the Financial Action Record, complete the Non-Monetary Recognition of Significant Value section, inserting the cash value (net) of the award, the gross value including taxes, and the date presented. The gross value is computed by dividing the cash value by .55.

# **Continuous Improvement Incentives**

An appropriately-valued award granted to recognize process improvement, cost-saving suggestions, streamlining, elimination of non-value added processes, gains in productivity, or inventions and patents. See above award descriptions. Patent Awards are processed through the Solicitor's Office. Innovation Award budget increases (granted for cost reduction, reinvention efforts, and improving customer service) are used for project support such as training and equipment.
