#### Authorization Statement

By signing this form, I hereby enroll in the Direct Deposit/rapid! PayCard Program and authorize Hillsborough County Public Schools to deposit all compensation directly to the financial institution and account provided by me. I hereby certify that I am an owner of the above account and authorize the named financial institution to credit/debit these amounts to that account. I further authorize the District to initiate credit entries and to initiate, if necessary, debit entries and adjustments to any credit entries made in error to my account. I expressly agree that the District will be authorized to deduct from my account up to the full amount of any overpayment of wages or compensation, or payment made in error. The right of the District to make such deductions will survive the cancellation of my participation in the program, and continue until such time as the overpayment or erroneous payment has been fully repaid. The financial institution is authorized to make any debit entry requested by the District pursuant to this grant of authority. I agree to notify the Payroll Department of account closings, bank changes and account changes. Changing banks and/or accounts will require a test transaction and a physical check will be mailed to the address on record. Changes not reported to the Payroll Department may result in a delay of receiving payment.
